This book is concerned with religious revivalism in the United
States since 1825. It attempts to explain the part which revivalism
has played, and is playing today, in the social, intellectual, and
religious life of America. The aim has been, in describing the
development of modern revivalism and the men who devoted their
lives to it, to look below the surface phenomenon in an effort to
discover why revivals have constantly recurred, what their effects
have been, and what they meant not only to those directly
concerned but to all Americans. If the revivals of the past century

This book tells the story of how I grew up in a Wilburite Quaker family in Ohio and attended Scattergood Friends School in Iowa. I give an overview of Quakers who originated as the The Religious Society of Friends in seventeenth-century England. I tell about Wilburite Friends, which are much different from most Quakers. Their practices are close to early English Friends. I tell how the Blackburn Family lived out Quaker beliefs. I tell about Scattergood Friends School in Iowa. I present my personal faith. An inspiration for this book is A Quaker Book of Wisdom "" Life Lessons in Simplicity, Service, and Common Sense by Robert Lawrence Smith. He states, "It is my ever-growing conviction that the compassionate Quaker message badly needs to be heard in today's complex, materialistic, often unjust, and discriminatory society. Every day brings new public debate over issues Quakers have always addressed: war and peace, social justice, education, health care, poverty, business ethics, public service, the use of world resources" (Smith, xii""xiii).

in American Life is a book which throws light on many features of the American character. Its concern is not merely to portray the scorners of intellect in American life, but to say something about what the intellectual is, and can be, as a force in a democratic society. "As Mr. Hofstadter unfolds the fascinating story, it is no crude battle of eggheads and fatheads. It is a rich, complex, shifting picture of the life of the mind in a society dominated by the ideal of practical success." □Robert Peel in the Christian Science Monitor
