~~Civilization~~ Simultaneous.

The riveting story of the exploration of the final frontier of our planet—the deep ocean—and history-making mission to reach the bottom of all five seas.

Humankind has explored every continent on earth, climbed its tallest mountains, and gone into space. But the largest areas of our planet remain largely a mystery: the deep oceans. At over 36,000 feet deep, these areas closest to earth's core have remained nearly impossible to reach—until now. Technological innovations, engineering breakthroughs and the derring-do of a team of explorers, led by explorer Victor Vescovo, brought together an audacious global quest to dive to the deepest points of all five oceans for the first time in history. The expedition pushed technology to the limits, mapped hidden landscapes, discover previously

Unknown life forms and began to piece together how life in the deep oceans affects our planet—but it was far from easy. Expedition Deep Ocean is the inside story of this exploration of one of the most unforgiving and mysterious places on our planet, including the site of the Titanic wreck and the little-understood Hadal Zone. Vescovo and his team would design the most advanced deep-diving submersible ever built, where the pressure on the sub is 8 tons per square inch—the equivalent of having 292 fueled and fully loaded 747s stacked on top of it. And then there were hurricane-laden ocean waters and the byzantine web of global oceanography politics. Expedition Deep Ocean reveals the marvelous and other-worldly life found in all five deep ocean trenches, including several new species that have posed as of yet unanswered questions about survival and migration

from ocean to ocean. Then there are the newly discovered sea mounts that cause tsunamis when they are broken by shifting subduction plates and jammed back into the earth crust, something that can now be studied to predict future disasters. Filled with high drama, adventure and the thrill of discovery, Expedition Deep Ocean celebrates courage and ingenuity and reveals the majesty and meaning of the deep ocean.

Here is information on all the 1995 models, including key plus and minus points, performance evaluations, complete specs and charts, latest prices, safety issues, best buys, and more--all in an easy-to-understand format.

sequel to his Edgar-finalist debut, *Purgatory Chasm*... Readers will want to see more of Ulfelder's tough but vulnerable lead, whose narration offers a warts-and-all view of his multifaceted character." — Publishers Weekly, starred review Savvy hadn't changed. She was smarter than you and didn't mind letting you know it. She'd whip you up and down trying to get her way. But we weren't lovers any more—and she'd stopped being a Barnburner long ago. Still... Conway Sax, the no-nonsense auto mechanic with a knack for solving difficult problems for the Barnburners, the renegade AA group who saved his life, is back in *The Whole Lie*. And for once, he thinks normalcy is within reach. He's opening a new garage, and he's finally moved in with longtime girlfriend Charlene. The end of his parole is finally in sight. Then along comes Savannah Kane: smart, smoky, and a

pusher of men's buttons. Seven years ago, Conway helped her disappear—but not before they had a sizzling, knock-down-drag-out affair. Now she's back with a shocking revelation: she's the mother of a six-year-old boy. Savvy claims her son's father is billionaire Bert Saginaw, but Conway (not to mention Charlene) knows she's back for more than just a family reunion. Saginaw wants to be Lieutenant Governor of Massachusetts. Savvy wants to get paid. Conway wants nothing to do with either of them. But when Savvy turns up brutally murdered, he's got no choice but to sort lies from truth — even though doing so may cost him his freedom, his lover, and his life in this thrilling and heart-wrenching follow-up to critically acclaimed novel *Purgatory Chasm*, in the tradition of Robert B. Parker and Dennis Lehane. Praise for Steve Ulfelder and *Purgatory Chasm* "Ulfelder smoothly

steers his plot from one hairpin twist to the next... Conway [is] both tough and vulnerable, a man who has made too many mistakes in his life and, unfortunately, will make even more.

Purgatory Chasm is a superb beginning for an author who shows much promise."

– South Florida Sun-Sentinel "A refreshing new character solving hardcore crimes.... crisp plotting, hard-boiled style and realistic dialogue."

—Associated Press "Combines elements of the thriller with tales of tangled families. Violence runs through the novel, but Ulfelder tempers it with compassion — and evocative prose.

Purgatory Chasm may be hardboiled, but it's heart-wrenching, too."

– Richmond Times-Dispatch "Working throughout is the edgy, self-effacing voice of a flawed main character, a good guy with plenty of baggage who's just trying stay alive and to get it right this time." – The Boston Globe

Of a young couple who'd paid to ride along. A decade later--broke, divorced, and estranged from his college-age children--he's got nothing left to lose. When a film producer offers Chuck one-million dollars to help find and photograph a deadly tornado in Oklahoma, Chuck sees a chance to earn his kids' respect again--and maybe his own. The situation quickly becomes about more than tracking a monster tornado for Hollywood. FBI Agent Gabi Medeiros insists on riding along. A burglary ring is targeting tornado-ravaged neighborhoods, and their tactics now include murder. With the stage set for a major heist, a deadly supercell, and a confrontation between Man and Nature on an epic scale, Chuck and his crew will be lucky to escape in one piece.

Kass is truly on the brink of madness now; she can feel it taking control. She screams as loud as she possibly can, “ What do you want from me? ” Something touches her ankle, and she shrieks and pulls her leg away. She looks down, or at least what she feels is down. She sees her feet dangling in the black nothingness, and that rush of vertigo hits her once again. She can ' t see anything except her own extremities. She is touched again, this time on her right

arm. Again, she can see nothing. She feels hot breath on her nape. Her nostrils are infiltrated with that pungent odor of dead, rotting meat. It is the smell of the thing that visited her in that small bedroom in the cabin in the woods. She whirls around—nothing is there. Kass begins to cry out from all the fright that engulfs all her senses. The light above her winks out. Total blackness befalls her. The darkness breathes in, and it breathes out.

For fans of Clue and Castle ... you'll love this fun, comforting, and uplifting cozy mystery with a Gilmore Girls vibe.

“ Bailey ’ s winning debut will thrill fans of the cozy mystery genre ... Olivia ’ s vividly sketched hometown of Apple Station is so alive with warmth and local color that it brings to mind a southern version of Stars Hollow from Gilmore Girls ... With these engaging, well-

with the death of someone dear. A promise to a grieving mother leads her to uncover secrets from the past that put her life in danger, leaving her at a crossroads. Does she risk investigating further or settle for the security of the life that awaits? Will she chase after what she thinks she wants or listen to what her heart needs? With the support of friends and family, a tenuous alliance with the lead police detective, and the bravery of an intrepid beagle, she races to protect her dad, rescue an unlikely ally, and bring a murderer to justice. When all seems lost, will Olivia summon the strength and courage she needs to see where the light shines through? If you grew up reading Nancy Drew, you'll love this cozy mystery that entertains with heart and humor amid a charming cast of quirky characters set in a small Southern town.
