Fully updated to reflect the current status and understandings regarding outdoor provision within early childhood education frameworks across the UK, this new edition shows early years practitioners how to get the very best from outdoor play and learning for the enjoyment, health and education of young children up to age seven. This invaluable resource gives sound practical guidance for providing: play with water, sand and other natural materials; experiences with plants, growing and living things; movement and physical play; construction, imaginative and creative play; and explorations into the locality and community just beyond your garden. This full-colour third edition has been further developed to act as a comprehensive source book of relevant materials, books and resources supporting the core ingredients of high-quality outdoor provision, while each chapter also includes extensive collections of children 's picture books relating to the themes within each chapter. Playing and Learning Outdoors has become the essential practical guide to excellence in outdoor provision and pedagogy for all early years services. This lively, inspiring and accessible book will help every educator to develop truly successful and satisfying approach to learning through play outdoors for every child.

Rob Gonsalves—master of magical realism—presents another mesmerizing picture book in his Imagine a... series, that will "stimulate wonder and imagination" (Booklist, starred review). Imagine a world where the sky becomes the Earth; where a waterfall freefalls to become dancing women; where you can cut mountains out of curtains, and ships sail into the sky. This amazing world is what Rob Gonsalves has created. His vision inspires and astounds—and he wants to share that vision with you. With stunning illustrations that stretch the limits of the imagination, this fourth installment in the Imagine a... series explores a world that is boundless and beautiful, inviting you to imagine a world of possibilities—to imagine this world.

This new edition features superb photographs and detailed reviews of America's finest courses A magnificent tour of the greatest golf courses in the United States, this new edition of Planet Golf USA features superb photographs and detailed reviews of America's finest courses. Revised and updated with new reviews and all-new images, it remains the most comprehensive directory ever published on the nation's outstanding golf layouts. Included are reviews of the top 100 courses in the United States, as well as important hidden gems and a number of restored Golden Age masterpieces. Ben Crenshaw, two-time Masters Champion, and his design partner, Bill Coore, contribute an insightful foreword. They are the leading architects in golf, and their courses feature prominently in the book. Completely revised and updated with the best new golf courses in America, Planet Golf USA will provide many hours of essential reading for any active or armchair golfer and is a perfect addition to any golfer's library.

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Getting the facts behind the fiction has never looked better. Track the facts with Jack and Annie!! When Jack and Annie got back from their adventure in Magic Tree House #3: Mummies in the Morning, they had lots of questions. Why did people make mummies? What was the mysterious writing on mummy cases? How did most ancient Egyptians spend their days? How were the pyramids built? Find out the answers to these questions and more as Jack and Annie track the facts. Filled with up-to-date information, photos, illustrations, and fun tidbits from Jack and Annie, the Magic Tree House Fact Trackers are the perfect way for kids to find out more about the topics they discovered in their favorite Magic Tree House adventures. And teachers can use Fact Trackers alongside their Magic Tree House fiction companions to meet common core text pairing needs. Did you know that there 's a Magic Tree House book for every kid? Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Super Edition: A longer and more dangerous adventure Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures Have more fun with Jack and Annie at MagicTreeHouse.com!

Illustrations and evocative text show how imagination can reveal the extraordinary in the everyday.

Answers questions about the history and behavior of dogs and provides true stories of dog heroics.

Learn how to craft breathtaking fairy homes exclusively from elements found in nature, step by step, from master fairy house architect Sally J. Smith—photos of dozens of her magical miniature creations provide abundant inspiration for crafters and fantasy fanciers interested in a creative challenge. Imagine a fairy home that has dragonfly wings as stained-glass windows, twigs for window frames, birch bark for walls, and dried mushrooms for shingles—with Fairy Houses, you can create one in your own garden. Browse gorgeous photographs of fairy houses in nature, then: Design your home following the outlined steps Gather tools and materials Create magical fairy house components, including intricately detailed doors and windows Put it all together to create your own unique fairy house Add lighting and interiors Add finishing touches, like a bark roof covering or a stone pathway The final chapter gives step-by-step photo instructions on how to construct two different fairy homes. Both an inspiring gallery of art and a practical how-to guide, Fairy Houses will open new doors of creativity for you as you are transported to the magical realm where fairies live.

Imagine a night when you can ride your bike right up the stairs to your bed. Imagine a night when your toy train rumbles on its tracks out of your room and roars back in, full sized, ready for you to hop on for a nighttime adventure. Imagine a night when a farmer plays a lullaby on his fiddle, and his field of sunflowers begins to dip and sway to the rhythm. Imagine a night when ordinary objects magically become extraordinary...a night when it is possible to believe the impossible. With the intrigue of an Escher drawing and the richness of a Chris Van Allsburg painting, renowned Canadian artist Rob Gonsalves depicts that delicious time between sleep and wakefulness, creating a breathtaking, visual exploration of imagination and possibility that will encourage both children and adults to think past the boundaries of everyday life, and see the possibilities beyond.

Imagine ... growing up in an unfinished geodesic dome home with no heat or running water, wearing the same clothes to school every day, and eating breakfast cereal with warm goat milk. In this whimsical, poetic, and gripping autobiographical account, Jennifer Asbenson describes her abusive, dysfunctional, and chaotic upbringing, her abduction and escape from a serial killer, her years in and out of mental hospitals, her decision to heal herself, and ultimately, her path to wholeness. Jennifer tells how, from her youngest years, she learned to retreat into her imagination to develop the ability to survive. The Girl in the Treehouse is a profoundly compelling story, told with humor, honesty, and without self-pity, of Jennifer's emergence from mental illness and despair to happiness, through the power of forgiveness and self-love.
