Wedding planner Tyler Warren left heartbreak behind when she ran away from her small Southern hometown and started a new life in a big city. Years later, she wants to believe in the fairy-tale endings her job promotes, but the clients she meets day after day seem to be more "Crazily Ever After" than "Happily Ever After." Meanwhile, her own attempts at romance play out as bizarre comedies rather than love stories, and she's starting to think Prince Charming either fell off his horse or got eaten by a dragon. When unresolved issues from Tyler's past complicate things even further, she discovers she may yet have some things to figure out before she can find her own happy ending. This delightful first book in the Tales Behind the Veils series chronicles Tyler's wacky misadventures, both personal and professional. Whether she's getting insane requests from brides or outlandish requests on dates, you're sure to be charmed and entertained by the Diary of a Single Wedding Planner.

"Sparkling" DeWylde uses her diverse, nontraditional takes on fairy tale characters and tropes to delve deep into themes of toxic masculinity, female empowerment, and the transformative power of love.

Delightful. Publishers Weekly STARRED REVIEW Fans of Angie Hockman and Sarah Hogle won't want to miss this enchanting, funny, and sexy novel that takes you inside the heart of the world's magic and warms your heart as the resident Fairy Godmothers seek to expand that magic through the power of love. **SOMETIMES YOU'RE THE CURSE . . .** Disgraced wedding planner Zuri Davis is so relieved to be offered a job with Fairy Godmothers, Inc., she's willing to trade the high-rise excitement of Chicago for the small-town charm of Ever After. Falling for one of her grooms, even unintentionally, was enough to destroy her career and also to prove that all men are indeed frogs. But when she meets gorgeous B&B owner Philip Charming, who definitely lives up to his name, even she is tempted to test that theory . . . **AND SOMETIMES YOU'RE THE CURE** Three hundred years as a frog by day and himself by night, is enough to test any man's patience even if Philip knows he deserved Petunia's curse. It certainly taught him not to mess around when it comes to making promises. And stubborn, proud Zuri is a woman he'd like to promise his heart and everything else to if only he weren't a sometimes-frog. Can he hope for True Love's Kiss from a woman whose trust has been so thoroughly broken?
