Faith In the Night Seasons | The King's High Way Ministries

A true Biblical night season is a God-sent, Father-filtered period of time where He specifically strengthens our faith and teaches us to walk only by His Spirit, not by our flesh. It's a time where God lovingly removes all our natural and comfortable "support systems" (inside and out) in order to replace them with total and unshakable faith in Him.

Are Night Seasons Part of God's Will? Part 1: Faith in the ...

Night seasons are simply Father-filtered periods of time where God teaches us by depriving us of our natural "light" (our own seeing, feeling and understanding) in order to forge "pure faith." It's time where God instructs us by "darkening" us. Thus, the term "night season" (or "dark night") is a very appropriate title.

Faith is allowing God to do in our lives all that He needs to do (good or bad from our point of view), in order to accomplish His perfect will. Faith is allowing God to strip, flay and crucify us, if that's what is needed to accomplish His will in us. Faith is simply accepting God's night seasons as part of His will towards us.

In his book *Abandoned to God*, Oswald Chambers states, "The mystics used to speak of 'the dark night of the soul' (or 'night season') as a time of spiritual darkness and dryness, not the direct result of sins committed, but rather a deep conviction of sin itself within the heart and mind. It's a time the person 'is being brought to an end of himself,' and made aware of the utter worthlessness of his own nature when stripped of all religious pretensions.

disobedience, He sometimes will take matters into His own hands; i.e., the night seasons. The dark night or the night season is simply the transition we make from depending upon our own sight and our own selves to a total dependence upon Christ and His faithfulness. This shift brings us into a new way of knowing God.

Thus, the term "night season" (or "dark night") is a very appropriate title. It's a time where God trains us to walk by naked faith - a faith that rests in Christ alone, not in our feelings, our sight or our experience. Most of us, even as older Christians, still walk by these things.

This Personal Application Workbook is designed to help you apply the Scriptural principles presented in the Faith in the Night Seasons textbook. The goal and purpose of every Christian is to be "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness.

John was once described by a friend as a man who looked like he had a party going on in his head all the time. In *Duck Butts: Seasons With God* he invites you to that party. In this, his first collection of writings, he shares his somewhat askew humor with short essays like *If I Were the Pope*. He takes us on an imaginative flight in *Astronaut*, and then brings us soberly back home with *Walking For Groceries*. Within these pages you'll also find experiments in poetry and a few song lyrics, some of which have forgotten melodies and have come to stand as statements that punctuate a journey of faith and grace. This book can be read straight through but also allows the reader to go slow and experience the change of seasons. John's voice can be irreverent, silly, and painfully honest but always returns to grace--as all seasons with God do.

What do we do when life goes completely contrary to the way we feel it should? How do we handle life's disappointments, heartaches and let downs? All people suffer but not all respond appropriately to their

sufferings. For some, suffering turns to bitterness and unforgiveness towards God. For others it turns to despair and, sometimes, even suicide and we are led to ask the question how does one handle the big (and small) setbacks, hurts and disappointments that we all experience. In 2012 the author entered into a season of suffering unlike any he had experienced before and found himself faced with many questions for which he had no answer: Where was God? Why had He abandoned him? What should he do? Who can help? As he journeyed through the darkest night of his soul he discovered a way of looking at life that not only made sense of the suffering he was experiencing but also helped him to see suffering in a way he had never seen it before as he looked at it through the lens of faith. In this book the author provides hope for every hurting soul, demonstrating that no matter how hurtful your situation has been, there is good behind and in it and though you may have felt like God was nowhere to be found He was there with you all of the time.

A New Translation From The French By Marion Wiesel  
Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal

Through poetry and story, *Daydreams and Night Visions* moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

Is it possible to experience joy made full? This story is one of heroic recovery. Darcy's sights are firmly set on winning The National Oldtime Fiddle Contest in Weiser, Idaho. She barely gains traction with her quest when tragedy strikes.

Finished is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. God, Take Over; I Am Finished can restore hope and improve your relationships with God and man.

section called White Faith, the kind of faith that strengthens the inner heart to persevere. A son prays in earnest while the emergency team from the fire station try to revive his father. After the paramedics give up and permission is granted to stop CPR, the father miraculously begins to breathe on his own. But will he survive long enough to take care of his unfinished business? This story is found under Blue Faith, the kind of faith that looks up from a dark pit to find hope. These testimonies and others, including some of the author's own experiences, are grouped into the colors of the rainbow to highlight important aspects of faith. Poems and prophetic art, intensifying the impact of the messages, are found throughout the book. Each color section concludes with a prayer to draw the reader's heart closer to God. Scriptures and colorful prophetic pictures featured in this book highlight significant attributes of faith that are bound to spark hope in God and His promises found in the Bible.
