relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth's last remaining survivors—and they've all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

A former CIA agent's thrilling novel about two compassionate CIA spies, who, at the risk of their respective careers, both try to keep their informants out of harms way.

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

In the heart of Boston, following the devastating events of an alien invasion, history professor Tom Mason and his sons meet up with the 2nd Mass, a militia group determined to wipe out the aliens. But with the militia's supplies running low, Tom must locate an old friend to equip him and his team in order to ensure the survival of the human race! * Falling Skies is from DreamWorks Television and stars Noah Wyle *

Fourth-grader Mason struggles to enjoy playing basketball after his best friend persuades him to join a team, and learns that the dog-hating lady next door is not so bad after all.

Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self-reliance. But film and television have also explored the tension between freedom and other core values, such as order and political stability. What may look like healthy, productive, and creative freedom from one point of view may look like chaos, anarchy, and a source of destructive conflict from another. Film and television continually pose the question: Can Americans deal with their problems on their own, or must they rely on political elites to manage their lives? In this groundbreaking work, Paul A. Cantor explores the ways in which television shows such as Star Trek, The X-Files, South Park, and Deadwood and films such as The Aviator and Mars Attacks! have portrayed both top-down and bottom-up models of order. Drawing on the works of John Locke, Adam Smith, Alexis de Tocqueville, and other proponents of freedom, Cantor contrasts the classical liberal vision of America -- particularly its emphasis on the virtues of spontaneous order -- with the Marxist understanding of the "culture industry" and the Hobbesian model of absolute state control. The Invisible Hand in Popular Culture concludes with a discussion of the impact of 9/11 on film and television, and the new anxieties emerging in contemporary alien-invasion narratives: the fear of a global technocracy that seeks to destroy the nuclear family, religious faith, local government, and other traditional bulwarks against the absolute state.

A Hugo award-winning Novel! "Vinge is one of the best visionary writers of SF today."
—David Brin Thirty-Thousand years before A Fire Upon the Deep, humans stand on the verge

of first contact with an alien race. Two human groups: the Qeng Ho, a culture of free traders, and the Emergents, a ruthless society based on the technological enslavement of minds. The group that opens trade with the aliens will reap unimaginable riches. But first, both groups must wait at the aliens' very doorstep for their strange star to relight and for their planet to reawaken, as it does every two hundred and fifty years. More than just a great science fiction adventure, *A Deepness in the Sky* is a universal drama of courage, self-discovery, and the redemptive power of love. King mesmerizes readers with fiction deeply rooted in the sixties, exploring in five interconnected narratives, spanning 1960 to 1999, the haunting legacy of the Vietnam War. "Engaging . . . King's gift of storytelling is rich".--"The Los Angeles Times Book Review".

A Brooklyn P.I. and ex-CIA agent looks for a missing man while suffering from an identity crisis in this thriller by the bestselling author of *The Company*. Martin Odum is a onetime CIA field agent turned private detective in Brooklyn, struggling his way through a labyrinth of memories and past identities— “ legends ” in Agency parlance. But who is Martin Odum? Is he a creation of the Legend Committee at the CIA ’ s Langley headquarters? Is he suffering from multiple personality disorder, brainwashing, or simply exhaustion? Widely considered one of the true grand masters of American spy fiction, Robert Littell shifts focus from the broad Cold War canvas of his international bestseller *The Company* to the life of a single CIA operative caught in a contradictory “ wilderness of mirrors ” in which remembering the past and forgetting it are both deadly options. From unforgettable opening to astonishing ending, *Legends* again proves Littell ’ s unparalleled prowess as a seductive storyteller. “ Littell provides plenty of inside intelligence info in his superb new thriller, but he adds a decidedly comic spin. . . . As the bodies of his friends and clients begin to pile up, Odum searches for answers about not only the missing husband but also himself. Wonderful writing and a great sense of fun make this another winner. ” —Publishers Weekly, starred review “ Now and then novels come along of such originality and power that they blow me away.... [*Legends*] makes it blazingly clear that Littell ’ s is one of the most talented, most original voices in American fiction today. ” —The Washington Post
