My name is Chyna. When I was thirteen years old I became part of a girl gang. This is my story. Chyna was born in the middle of gangland UK. From a young age she saw people all around her in gangs. They had the status, the ghetto-fabulous look and the money. So when girls from a rival school started picking on Chyna and her friends, they decided to take control of their lives and form their own gang. They called it Nothing 2 Lose. Soon Chyna was caught up in a world of tiefing phones, shoplifting and shanks. She rolled tight with her fam. The risk of arrest and beatings was always present, but so were the rewards: fast p's, bare liquor and draw, and the thrill of being above the law. Then boys came into their lives, and Chyna and her friends were attracted to some of gangland's most notorious boys. Now Chyna and found herself in a very glamorous world with VIP tables at the most exclusive clubs, big p's lavished on bling and champagne. She was living the highlife as the girlfriend of one of London’s most feared gangstas. The deeper she got into this world, the more she discovered the dark side. The guns, the vicious drug dealers, the constant threat of prison: Chyna knew she had to find a way out. But it would take a devastating tragedy - one that ripped apart her world- before Chyna found the courage to leave gangland behind once and for all.

New York Times bestselling author Joyce Carol Oates’s strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates’s place at the very summit of American writing.
