battle for supremacy increasing in profile and intensity all the while. Their styles, personalities and footballing allegiances continue to divide opinion, but their dominance of the record books has now put one claim beyond debate - this is football's greatest ever head-to-head. Acclaimed football writer Luca Caioli draws on invaluable testimonies from those closest to the two stars, with exclusive insights from friends, families, teammates and managers, to tell the inside story of this fascinating rivalry.

Lionel Messi is the greatest footballer of our time: a magician with uncanny ability to beat defenders, find space and score goals. 2016 saw him win the Ballon d'Or for a record fifth time, further emphasising his status as the greatest footballer in the world today, and possibly ever. Messi is Luca Caioli's classic portrait of modern football's undisputed superstar, now fully updated to include all the action from 2015/16. Featuring exclusive testimony from those who know him best, including coaches, teammates and even Messi himself, it offers an unrivalled behind-the-scenes look at the life of a football superstar.

Includes discussion of proposals to change basis of tariff rates from foreign valuation of commodities to American valuation of commodities.

This major new commentary on the ICSID Convention, Regulations and Rules offers a new, forward-looking and highly practical interpretation of the convention and its associated documents. It is the first commentary to provide systematic article-by-article coverage not only of the Convention itself, but also of the institution rules, the ICSID arbitration rules and the ICSID administrative and financial regulations. Written by a team of leading experts from private practice, government and academia, this uniquely comprehensive work will be an essential resource for those in the investment arbitration community, and a turn-to reference work for international investment law and international arbitration scholars.
