In *Feminist Fight Club*, acclaimed journalist Jessica Bennett blends the personal stories of her real-life fight club with research, statistics, and no-bullsh*t advice for how to combat today's sexism (and come out the other side). Part manual, part manifesto, Bennett offers a new vocabulary for the sexist archetypes women encounter every day--such as the Manterrupter, who talks over female colleagues in meetings; or the Bropropriator, who appropriates their ideas--as well as the self ...

Feminist Fight Club - HarperCollins

PUBLISHERS WEEKLY JUL 18, 2016. In 2009, journalist Bennett, who now writes about gender and culture for the *New York Times*, founded the *Feminist Fight Club* with a group of 11 career-minded women living in N.Y.C. to discuss their professional setbacks and successes battling sexism on the job, and many of these experiences are recounted here.

Writer Jessica Bennett, the author of *Feminist Fight Club: An Office Survival Manual for a Sexist Workplace*, outlined in a 2015 *Time* column that "manterrupting" can only be fixed with a ...

Part manual, part manifesto, a humorous yet incisive guide to navigating subtle sexism at work--a pocketbook *Lean In* for the Buzzfeed generation that provides real-life career advice and humorous reinforcement for a new generation of professional women. It was a fight club--but without the fighting and without the men. Every month, the women would huddle in a friend's apartment to share sexist job frustrations and trade tips for how best to tackle them. Once upon a time, you might have called them a consciousness-raising group. But the problems of today's working world are more subtle, less pronounced, harder to identify--and, if Ellen Pao is any indication, harder to prove--than those of their foremothers. These women weren't just there to vent. They needed battle tactics. And so the fight club was born. Hard-hitting and entertaining, *Feminist Fight Club* blends personal stories with research, statistics, infographics, and no-bullsh*t expert advice. Bennett offers a new vocabulary for the sexist workplace archetypes women encounter everyday--such as the Manterrupter who talks over female colleagues in meetings or the Himinator who appropriates their ideas--and provides practical hacks for navigating other gender landmines in today's working world. With original illustrations, *Feminist Mad Libs*, a *Negotiation Cheat Sheet*, as well as fascinating historical research and a kit for "How to Start Your Own Club," *Feminist Fight Club* tackles both the external (sexist) and internal (self-sabotaging) behaviors that plague today's women--as well as the system that perpetuates them.

A *Wall Street Journal* Bestseller! Named a best book of 2016 by *Chicago Tribune*, *Refinery 29*, *Forbes*, *Bust*, *CEO Reads*. It was a fight club--but without the fighting or the men. Every month, women would gather in a New York apartment to share sexist-job frustrations and trade strategies for how to tackle them. For years, these meetings were kept secret. But the time has come to talk about the club. In *Feminist Fight Club*, acclaimed journalist Jessica Bennett blends the personal story of her real-life fight club with a studied assessment of the gender gap that continues to plague the American workplace. With equal measures wit and rigor, Bennett provides the tactical strategies--and the camaraderie--every woman needs to fight back, as well as tools for the men who support the cause.

'Engaging, hilarious and practical - I will proudly proclaim myself a card-carrying member of the PFC' - Sheryl Sandberg, COO of Facebook and bestselling author of *Lean In* This is a call to arms. Are you aged zero to infinity? Finished with the sexist status quo? Ready to kick ass and take names? Welcome to the *Feminist Fight Club*. You have lifetime membership. *Feminist Fight Club* provides an arsenal of weapons for surviving in an unequal world. You will learn how to fight micro-aggressions, correct unconscious bias, deal with male colleagues who can't stop 'manterrupting' or 'bro-propriating' your ideas - and how to lean in without falling the f**k over. Every woman needs this book - and they needed it yesterday. This is not a drill.

From the NPR host of *The Indicator* and correspondent for *Planet Money* comes an "accessible, funny, clear-eyed, and practical" (Sarah Knight, *New York Times* bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling--perfect for fans of *Feminist Fight Club*, *Lean In*, and *Nice Girls Don't Get the Corner Office*. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is--quite literally--not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli "with this delicious look at what we have to gain by examining our relationship to power" (Sally Helgesen, *New York Times* bestselling author). Using *The Prince* as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. "*Machiavelli For Women* is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must read for every woman ready to wield power unapologetically" (Claire Shipman, coauthor of *The Confidence Code*).

Up-beat, pragmatic, and chock full of advice, *What Works for Women at Work* is an indispensable guide for working women. An essential resource for any working woman, *What Works for Women at Work* is a comprehensive and insightful guide for mastering office politics as a woman. Authored by Joan C. Williams, one of the nation's most-cited experts on women and work, and her daughter, writer Rachel Dempsey, this unique book offers a multi-generational perspective into the realities of today's workplace. Often women receive messages that they have only themselves to blame for failing to get ahead--Negotiate more! Stop being such a wimp! Stop being such a witch! *What Works for Women at Work* tells women it's not their fault. The simple fact is that office politics often benefits men over women. Based on interviews with 127 successful working women, over half of them women of color, *What Works for Women at Work* presents a toolkit for getting ahead in today's workplace. Distilling over 35 years of research, Williams and Dempsey offer four crisp patterns that affect working women: *Prove-It-Again!*, the *Tightrope*, the *Maternal Wall*, and the *Tug of War*. Each represents different challenges and requires different strategies--which is why women need to be savvier than men to survive and thrive in high-powered careers. Williams and Dempsey's analysis of working women is nuanced and in-depth, going far beyond the traditional cookie-cutter, one-size-fits-all approaches of most career guides for women. Throughout the book, they weave real-life anecdotes from the women they interviewed, along with quick kernels of advice like a "New Girl Action Plan," ways to "Take Care of Yourself", and even "Comeback Lines" for dealing with sexual harassment and other difficult situations.

The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. *Fight Club's* estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.

Success is not final and failure is not fatal. Maria Hatzistefanis should know. Having spent 20 years building her own company (described by the press as 'an overnight success'), she acknowledges how hard it is to keep going and find your motivation, especially in the face of self-doubt, rejection and unexpected setbacks. This punchy, easy to digest book spells out how to motivate yourself and harness your drive and energy to make things happen. With clear guidance, tips and celebrity stories throughout, Maria sums up her business secrets with three golden rules: set your goals; plot your trajectory; make it happen! This book will help anyone looking to grow their business and enable readers everywhere to find their own "Make It Happen" mindset. Everyone can learn from this book, no matter where you are in your career.

Chronicles the sexual discrimination class action lawsuit that women journalists brought against their employer, *Newsweek*, in 1970.

A stunning celebration of girlhood around the world, from the *New York Times* Featuring and photographed by young women, *This Is 18* is an immersive look at what it means to be on the cusp of adulthood around the world and across cultures. Twenty-two empowering and uniquely personal profiles, expanded from the *New York Times* interactive feature and curated by Gender Editor Jessica Bennett, with Sandra Stevenson, Anya Strzemies, and Sharon Attia, give teen readers a rare glimpse at the realities and interests of their contemporaries. With stunning photography and a gifty design, *This Is 18* is a perfect tribute to girlhood for readers of all ages.
