ROSS I was never supposed to see Tom again after the one passionate night we spent together. That's the way I prefer it. I was definitely never supposed to operate on him when he was brought into my ER after his accident. That part's against the law. It was an honest mistake - I didn't realize until later

that the man I'd just put back together was the same man who'd just spent the previous night taking me apart, innuendo most definitely intended. And when I paid his medical bills, that was just a guilty conscience. He wouldn't have been on the road as tired as he was if me and my issues hadn't been against him staying the night. But we did connect, on a deeper level than I can't even explain to myself - let alone to everyone who seems to have an opinion now on why I can't be with the doctor who saved my life. Even if he's also the only one who can heal my soul. Normally I'm the guy that's all about listening to what others think, but this time is different. This time I've got to listen to my heart. This 50,000 word standalone features medical misadventures and sexual healing. Our heroes won't
