This is the first complete English translation of Bealu Girma's classic. Originally published in 1983 in Ethiopia, the novel served as a critical account of the Red Star Campaign, the Communist Derg government's attempt at a final comprehensive victory over the secessionist rebellion in Eritrea. A passionate and turbulent story of love and war, Oromay mocked high-level members of Ethiopia's communist regime and criticized the Derg's actions in Eritrea. The criticism contained in this incisive political allegory put Bealu in considerable danger owing to the repressive environment in which it was

published. The novel was almost immediately banned after publication. Government officials attempted to confiscate all available copies but bootleg versions continued to circulate. In the aftermath, Bealu was fired from his job in Ethiopia's Ministry of Information and a few months later disappeared. It is generally believed that he was abducted and killed on the orders of government officials in retaliation for Oromay. Bealu's life had a dramatic arc of its own. Born in rural Ethiopia to an Ethiopian mother and Indian father, he was a graduate of Addis Ababa University and later studied journalism in the United States. In addition to serving as editor of several of Ethiopia's most respected magazines and newspapers (including Addis Zemen and The Ethiopian Herald) he also worked as a civil servant in Ethiopia's Ministry of Information. This position allowed him

access to government officials during both the Imperial and Communist governments. Prior to Oromay, he wrote five other popular and critically-acclaimed Amharic-language novels: Beyond the Horizon, The Bell of Conscience, The Call of the Red Star, Haddis, and The Author. His integrity as a journalist, courageous criticism of repressive regimes, and martyrdom to the cause of literary freedom make him a significant figure in modern Ethiopian history and Amharic literature.

Book memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park's testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.
