Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and a set of problems similar to those in the book and those that may be used on tests, with fully worked-out solutions.

Trust Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT 11E, the only textbook written specifically for Intermediate or Advanced Corporate Finance courses to provide your students with a full understanding of both conceptual theories and practical financial skills. This comprehensive text from renowned author team Gene Brigham and Phillip Daves reinforces coverage from earlier corporate finance courses for a clear presentation, while providing new, progressive material to challenge even the most advanced learners. The authors use corporate valuation as a unifying theme to emphasize the theoretic groundwork for value maximization and the practical skills to analyze business decisions. You will find in-depth coverage of core issues and the most current coverage of topics that are reshaping finance today. The book's reader-friendly approach incorporates actual business examples and integrated cases as well as Excel spreadsheet models to demonstrate how financial theory in practice leads to solid financial decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and offers a set of problems similar to those in the text and Test Bank with fully worked-out solutions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Brigham/Houston: A Classic, redefined...because a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition, an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
