Make or break advice on getting into the residency program of your choice Written by medical students who recently completed the match process First Aid for the Match is a insider's guide to preparing for and succeeding in the match process. The fifth edition features a new, two-color interior design, the latest statistics and advice on matching in each specialty and major sub-specialty, advice on preparing for the 4th year of medical school, and special considerations for IMGs and residents with young families. A chapter on what to do if you don't match ("the scramble") is also included. Chapters on polishing your CV and writing stellar application essays, plus tips on "wowing" them during the interview, will help you map your career path and plan appropriately for success. Features Statistics and advice on matching in all major specialties and now--NEW!--major sub-specialties Includes perspectives by residents/fellows about each sub-specialty and why/how they chose it, what their thought process was in choosing it, the attractions and challenges of the field, the future of the field, etc., Application and interview tips, including expanded section on interview questions to include more questions for all interviews, as well as for each specialty. Added examples of difficult or unexpected questions and examples of good ways to think about answering certain questions and things to avoid saying Expanded section of CVs and high-impact personal statements with real examples and advice on what not to do. Advice for international medical graduates and residents with young families Advice on travelling to interviews, with new ideas and tips for travel/lodging, and useful websites Comprehensive guide to the match and planning for match success. Although some information is available on the internet (some not reliable), this book gathers it all in one place and adts valuable insider information and advice. The content you need to get the match you want: The Match, Setting Up The Fourth Year, Choosing and Matching in Your Specialty, Weighing Your Options, What If I Can't Decide?: Your Specialty and the Match, Transitional-Year Program, Anesthesiology, Dermatology, Emergency Medicine, Family Practice, Internal Medicine & Medical Sub-Specialties, Med-Peds, Neurology, Neurosurgery, Obstetrics and Gynecology, Ophthalmology, Orthopaedics, Otolaryngology, Pathology, Pediatrics & Pediatric Sub-Specialties, Physical Medicine and Rehabilitation, Psychiatry, Radiology, Radiation Oncology, Surgery & Surgical Sub-Specialties, Urology, IMGs and the Match Process, Getting Residency Information and Applications, The Application, The CV, The Personal Statement, Gearing Up For Interviews, Interview Day, The Rank List and Match Day, After The Match, Appendix A: Worksheets for Application Requirements, Appendix B: Program Evaluation Worksheet, Appendix C: Recommended Resources, About the Authors

The purpose of FIRST AID FOR THE MATCH is to help medical students effectively and efficiently navigate the often complex residency application process. It is designed to help students make the most of their limited time, money, and energy. In the spirit of FIRST AID FOR THE USMLE STEP 1, this book is a student-to-student guide that draws on the advice and experiences of medical students who have successfully gone through the Match and are now training in the programs of their choice.

Ace the USMLE Step 3 with this proven survival reveu! "I have not seen a more complete, concise Step 3 review" "This book is full of easy to remember mnemonics and algorithms that make studying for the Step 3 less of a chore, especially during internship. I have not seen a more complete, concise Step 3 review."--Franklin Chen, MD, Internal Medicine Resident, University of Pittsburgh Medical Center INSIDER ADVICE for residents from residents Thousands of high-yield facts that you need to know Hundreds of clinical images, drawings, and algorithms amplify the text 100 mini-cases prep you for the CCS portion of the exam Tips and practical advice you can trust from residents who passed
