build student understanding and skills and understand how children best learn math. In this third edition, Marilyn Burns has completely revised the first section to reflect what she has learned over the years from her

# File Type PDF First Grade Unit 1 Georgia Standards

classroom experience with students and her professional development experience with teachers. This section has also been expanded to address these important topics: teaching math vocabulary,

# File Type PDF First Grade Unit 1 Georgia Standards

incorporating writing into math instruction, linking assessment and instruction, and using children's literature to teach key math concepts. In an entirely new section, Marilyn addresses a wide range of questions she
