There are many questions that fishermen ask themselves. Why do certain lures appeal to certain types of fish? How does the physical make-up of a type of fish affect its hunting strategy? Do fish learn to avoid lures and hooks? In Through the Fish's Eye, these questions, and much more are answered. A classic book written by some of the best names in the business, Through the Fish's Eye offers a new perspective on the art of fishing by breaking down the behavior of the fish and tying it into their biological make-up. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

"An absolutely brilliant and singularly indescribable book. Fish Eyes for Pearls is an extraordinary journey into a woman's life. One of the bravest, most unique and compelling self-examinations I have ever read- I was blown away " -Henry Jaglom The phrase 'fish eyes for pearls' is coined in an ancient book of internal alchemy, prompting the question, in this world veiled in illusion, how does one discern the precious from the common or worthless? And then, how might the ordinary be transformed into something extraordinary? Lead on a mission to gather and liberate ghosts, the artist navigates the thorny and humbling landscape of relationships, society, and the unseen realms. With canvas, words and camera lens, she turns life into art and art into a life.

In Differentiating the Pearl from the Fish-Eye, Eyal Aviv offers an account of Ouyang Jingwu, a revolutionary Buddhist thinker and educator. The book surveys the life and career of Ouyang and his influence on modern Chinese intellectual history.

Fish Eyes is not your typical mermaid novel or fantasy where the story takes place beneath the sea. This tale has a strange realness to it as you listen to the ramblings of a stranded mermaid who has no choice but to befriend her enemy, the human species. During her anything but pleasant adventure on land, Zazzle has one soul wrenching goal in mind and that is to return to the sea. Her survival depends on it!

Im Just a Fish from award-winning author and illustrator Charles Reasoner is brought to you by Top That Publishing. Children aged 3+ will laugh along with this story about how a fish uses his imagination to make the best out of his life in his goldfish bowl. Big, 3-D googley-eyes peek through two die-cut eyeholes on each page to delight the reader and bring the fish to life! A fun addition to the bookshelf!

The top cat in a household is reluctant to accept the arrival of a new kitten but decides to share various survival secrets with it.

Freddie the Fish thinks the undersea show is lots of fun. Smiley the Shark sings with his band, Snippy the Crab walks sideways along the high wire, Susie the Seal spins a ball on her nose, and Ollie the Octopus juggles eight shells at a time! Follow Freddie as he discovers how he can become the star of the show! Youngsters will enjoy turning the thick board pages and laughing at the exciting googly eyes that pop out of every scene.

Three coming-of-age solo shows that follow the lives of teenage girls who attend the same high school and process their real-life dilemmas through dance, while exploring the heartaches of youth and the meaning of heritage. Includes: Fish Eyes, Boys With Cars, and Let Me Borrow That Top.
