EXPERT 1 Increase your ability with this **ADVANCED** 2 day course, covering the skills needed for the most complex and beautiful floor designs, using tools, equipment, and subfloor products to fit wood flooring in a real-life environment.

Training Courses - FloorSkills Commercial flooring ... Expert Fitting Service. Choosing your carpet is just the first stage. Underlay and fitting play a big part in the process, and will determine how good your carpet looks on your floor. Underlay can affect the life of your carpet and a badly fitted carpet can ruin even the highest quality flooring. Which is why we only use professional fitters of the highest standard.

Can concur with the above post. Wood flooring sounds a little vague. By telling you wood flooring, they may mean laminate flooring, which ranges from £3.99 to £50 per square metre. I would request samples of the flooring they intend to lay for you, then do some shopping around to ensure you are receiving a good deal for that type of product.
