The complete assignment for FLVS's English 4/English 4 Honors. This work was completed by a straight A student that is typically enrolled in 5 AP courses. An A was earned on this assignment and in the class overall. None of my work was plagiarized and all of it guarantees success.

English 4 2.07 - English 4 - Stuvia

Zachary white Zachary white In the Premature Burial by Edgar Allan Poe, the main theme throughout the story is that you can face and overcome your fears if you dont dwell and consume yourself with your fear. I think to get over your fears you need to do your fear. Such as public

Acclaimed as a modern dramatic masterpiece, *Rosencrantz & Guildenstern are Dead* is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of *Waiting for Godot* resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when *Rosencrantz and Guildenstern Are Dead* opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association.

From the Preface: 'Buddhism is a religion which must be viewed from many angles. Its original form, as preached by Gautama in India and developed in the early years succeeding, and as embodied in the sacred literature of early Buddhism, is not representative of the actual Buddhism of any land today. The faithful student of Buddhist literature would be as far removed from understanding the working activities of a busy center of Buddhism in Burmah, Tibet or China today as a student of patristic literature would be from appreciating the Christian life of London or New York City.'

One Today is a poem celebrating America. President Barak Obama invited Richard Blanco to write a poem to share at his second presidential inauguration. That poem is *One Today*, a lush and lyrical, patriotic commemoration of America from dawn to dusk and from coast to coast. Brought to life here by beloved, award-winning artist Dav Pilkey, *One Today* is a tribute to a nation where the extraordinary happens every single day.

Narrated in the first person, this short story is one episode in the life of a Russian labour-camp inmate. Written by Varlam Shalamov after his own experiences at a gulag, it describes the apathy of prisoners as they steadily approach death, the assuredness of betrayal and duplicity, and the constant craving for material satisfaction to lessen the empty, scorched feeling inside. When an old acquaintance lays out an escape plan, that satisfaction is offered in the form of condensed milk: a sweet, delicious extravagance - a small element of joy in the midst of impending death.

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Clear-eyed and spirited, Taylor Greer grew up poor in rural Kentucky with the goals of avoiding pregnancy and getting away. But when she heads west with high hopes and a barely functional car, she meets the human condition head-on. By the time Taylor arrives in Tucson, Arizona, she has acquired a completely unexpected child, a three-year-old American Indian girl named Turtle, and must somehow come to terms with both motherhood and the necessity for putting down roots. Hers is a story about love and friendship, abandonment and belonging, and the discovery of surprising resources in apparently empty places. Available for the first time in mass-market, this edition of Barbara Kingsolver's bestselling novel, *The Bean Trees*, will be in stores everywhere in September. With two different but equally handsome covers, this book is a fine addition to your Kingsolver library.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
