Mary Draper Ingles - Wikipedia

Follow The River Had I understood from the beginning that this story was based on real events and characters I would have found it more compelling. The writing is incredibly descriptive - prose really. I found myself tired of detailed descriptions of hardship repeated over and over again.

NATIONAL BESTSELLER • "It takes a rare individual not only to see that history can live, but also to make it live for others. James Thom has that gift."—The Indianapolis News Mary Ingles was twenty-three, happily married, and pregnant with her third child when Shawnee Indians invaded her peaceful Virginia settlement in 1755 and kidnapped her, leaving behind a bloody massacre. For months they held her captive. But nothing could imprison her spirit. With the rushing Ohio River as her guide, Mary Ingles walked one thousand miles through an untamed wilderness no white woman had ever seen. Her story lives on—extraordinary testimony to the indomitable strength of one pioneer woman who risked her life to return to her own people.

Captured by the Shawnee Indians, Mary Ingles escapes and follows the Ohio River for a thousand miles back towards her home in Virginia

For use in schools and libraries only. Captured by the Shawnee Indians, Mary Ingles escapes and follows the Ohio River a thousand miles back to her home in Virginia.

The classic novel of fly fishing and spirituality, originally published in 1983. Since its publication in 1983, THE RIVER WHY has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, THE RIVER WHY is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.

Traveling to the New World in 1606 as the page to Captain John Smith, twelve-year-old orphan Samuel Collier settles in the new colony of James Town, where he must quickly learn to distinguish between friend and foe. Reprint.

Courageous Women * Supportive Men * Helpful Angels Angels Along the River is an inspirational story of hope, fear, joy and accomplishment that is a testament to the incredible tenacity and spirit of ordinary people everywhere. When Eleanor Lahr read Follow the River, a novel based upon the true experiences of Mary Draper Ingles, it changed her life. Mary was captured in 1755 by Shawnee Indians and carried 500 miles from her home. Eleanor felt inexplicably compelled to retrace Mary's escape route. With little previous experience in the great outdoors, but with plucky courage, she planned and trained extensively. Sometimes alone and sometimes with strangers, she hiked for 43 days along the Ohio, Kanawha, and New Rivers. Misunderstandings and ingrained prejudice challenged the band of walkers as much as Mother Nature; however, angels in everyday clothes helped them overcome their personal limitations, bloody blisters, broken bones, and life-threatening situations. Eleanor and her companions carried Mary's courageous story from Kentucky to Virginia in their own remarkable feat of determination and achievement. As an act of self-preservation Eleanor did not understand initially, her physical journey became a transformative personal journey that redefined her as a capable, strong, and independent woman. "The inspiration is contagious and it affects us all in different ways...Eleanor's book is another carrier of the inspiration." James Alexander Thom, author of the best-seller Follow the River

From the establishment of the first permanent English colony at Jamestown in 1607 to the fall of Richmond in 1865, the James River has been instrumental in the formation of modern America. It was along the James that British and Native American cultures collided and, in a twisted paradox, the seeds of democracy and slavery were sown side by side. The culture crafted by Virginia's learned aristocrats, merchants, farmers, and frontiersmen gave voice to the cause of the American Revolution and provided a vision for the fledgling independent nation's future. Over the course of the United States' first century, the James River bore witness to the irreconcilable contradiction of a slave-holding nation dedicated to liberty and equality for all. When that intractable conflict ignited civil war, the James River served as a critical backdrop for the bloodiest conflict in U.S. history. As he guides readers through this exciting historical narrative, Deans gives life to a dynamic cast of characters including the familiar Powhatan, John Smith, Patrick Henry, Thomas Jefferson, Benedict Arnold, and Robert E. Lee, as well as those who have largely escaped historical notoriety. The River Where America Began takes readers on a journey along the James River from the earliest days of civilization nearly 15,000 years ago through the troubled English settlement at Jamestown and finishes with Lincoln's tour of the defeated capital of Richmond in 1865. Deans traces the historical course of a river whose contributions to American life are both immeasurable and unique. This innovative history invites us all to look into these restless waters in a way that connects us to our past and reminds us of who we are as Americans.

A legend. A warrior. A hero. A classic American epic. Two centuries ago, with the support of the young Revolutionary government, George Rogers Clark led a small but fierce army west from Virginia to conquer all the territory between the Ohio and Mississippi rivers. He battled the British, forged friendships with French and Spanish settlers, and made treaties with many Indian tribes who revered the lanky, red-haired white man and called him Long Knife. He fell in love with the woman of his dreams, the beautiful Spanish maiden Teresa de Leyba. And George Rogers Clark was, in the end, bitterly betrayed by the same government he had so nobly served. Rich in the heroic characters, meticulously researched detail, and grand scale that have become James Alexander Thom's trademarks, Long Knife, his first historical epic, is simply unforgettable.

The Stocum family of Northeastern Pennsylvania are the best of the white settlers, peace-loving Quakers who believe that the Indians hold the Light of God inside. It is from this good-hearted family that Frances is abducted during the Revolutionary war. As the child's terror subsides, she is slowly drawn into the sacred work and beliefs of her adoptive mother and of all the women of these Eastern tribes. Frances becomes Maconakwa, the Little Bear Woman of the Miami Indians. Then, long after the Indians are beaten and their last hope, Tecumseh, is killed, the Stocums hear word of their long-lost daughter and head out to Indiana to meet their beloved Frances. But for Maconakwa, it is a moment of truth, the test of whether her heart is truly a red one.

In this deracinated age appears a miraculous epic that pays homage to Dante and Camus. "Few people read Poetry any more, but I still wish to write its seedlings down, if only for the lull of gathering: no less a harvest season for being the last time," writes Clive James in his epic poem, The River in the Sky. What emerges from this lamentation is a soaring epic of exceptional depth and overwhelming feeling, all the more extraordinary given its appearance in an age when the heroic poem seems to have disappeared from contemporary literature. Among James's many talents is his uncanny ability to juxtapose references to early twentieth-century poets with "offbeat humor and flyaway cultural observations" (Dwight Garner, New York Times), or allusions to the adagio of Beethoven's Ninth Symphony contrasted with references to "YouTube's vast cosmopolis." Whether recalling his Australian childhood or his father's "clean white headstone" in a Hong Kong cemetery, James's autobiographical epic ultimately helps us define the meaning of life.
