Foo Fighters - In Your Honor. IN YOUR HONOUR "The song itself was just inspired by going out on the campaign trail and experiencing such a strong sense of devotion and belief. People were getting together to make a difference, for the sake of something honourable. It's that overwhelming feeling of connection with something.

In Your Honor : Dave Grohl's Guide To Every Song ::: Foo ...

The group followed that release with the two-disc In Your Honor (2005), which was split between acoustic songs and heavier material. Foo Fighters released its sixth album, Echoes, Silence, Patience & Grace, in 2007. The band's seventh studio album, Wasting Light, produced by Butch Vig, was released in 2011, in which Smear returned as a full member.

In Your Honor by Foo Fighters: Amazon.co.uk: Music

Although it was as big a commercial success as Foo Fighters' three previous albums, 2002's One by One seemed flat and tired, as if their leader, Dave Grohl, had reached a songwriting slump or as if the band had exhausted its possibilities. The time was ripe for a reinvention, or at least a risk, and the group responded accordingly with In Your Honor, a double album containing one disc of hard rock and one disc of acoustic material.

Foo Fighters are an American rock band formed by singer/guitarist/drummer Dave Grohl in 1995 in Seattle, USA. Grohl formed the group as a one-man project after the dissolution of his previous band Nirvana in 1994. Prior to the release of Foo Fighters in 1995, Grohl drafted Nate Mendel (bass), William Goldsmith (drums) (both of Sunny Day Real Estate and The Fire Theft), and Pat Smear (guitar ...

In Your Honor — Foo Fighters | Last.fm

In Your Honor, like most Foo Fighters records, is sterile and controlled; there is never any threat of dissolution. While Grohl's musicianship and charisma are certainly a credit to any project he...

Foo Fighters: In Your Honor Album Review | Pitchfork

Listen free to Foo Fighters – In Your Honor (In Your Honor, No Way Back and more). 20 tracks (83:16). Having spent a year and a half touring behind One By One, Grohl did not want to rush into recording another Foo Fighters record. Initially Grohl intended to write acoustic material by himself, but eventually the project involved the entire band.

Looks at the life of Dave Grohl, a rock star known for his work with Nirvana, Queens of the Stone Age, Them Crooked Vultures and the band he founded, Foo Fighters, in a book that draws on personal interviews with Nirvana producer Butch Vig, Queens of the Stone Age front man Josh Homme and Grohl himself.
Contains authentic transcriptions with notes and tablature for the Foo Fighters album.

The Foo Fighters is an American rock band, formed in Seattle in 1994. It was founded by Nirvana drummer Dave Grohl as a one-man project following the death of Kurt Cobain and the resulting dissolution of his previous band. The group got its name from the UFOs and various aerial phenomena that were reported by Allied aircraft pilots in World War II, which were known collectively as foo fighters. Prior to the release of Foo Fighters' 1995 debut album Foo Fighters, which featured Grohl as the only official member, Grohl recruited bassist Nate Mendel and drummer William Goldsmith, both formerly of Sunny Day Real Estate, as well as fellow Nirvana touring bandmate Pat Smear as guitarist to complete the lineup. The band began with performances in Portland, Oregon. Goldsmith quit during the recording of the group's second album, The Colour and the Shape (1997) when most of the drum parts were re-recorded by Grohl himself. Smear's departure followed soon afterward. They were replaced by Taylor Hawkins and Franz Stahl, respectively, although Stahl was fired before the recording of the group's third album, There Is Nothing Left to Lose (1999). The band briefly continued as a trio until Chris Shiflett joined as the band's lead guitarist after the completion of There Is Nothing Left to Lose. The band released its fourth album, One by One, in 2002. The group followed that release with the two-disc In Your Honor (2005), which was split between acoustic songs and heavier material. Foo Fighters released its sixth album, Echoes, Silence, Patience & Grace, in 2007. In 2010, it was confirmed that Smear had officially rejoined the band after touring with Foo Fighters as an unofficial member between 2006 and 2009. Over the course of the band's career, four of its albums have won 11 Grammy Awards winning Best Rock Album four times. The band's seventh studio album, Wasting Light, was released in 2011. This book is your ultimate resource for Foo Fighters. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about Foo Fighters's Early life, Career and Personal life right away. A portion of the proceeds of each book will be donated to the Wikimedia Foundation to support their mission.

Foo Fighters emerged from the morass of suicide and potent musical legacy that was Nirvana to establish themselves against all odds as one of the most popular rock bands in the world.Deflecting early critical disdain, Dave Grohl has single-handedly reinvented himself and cemented his place in the rock pantheon. This is his story, from his pre-Nirvana days in hardcore band Scream to his current status as a festival conquering, Grammy winning, platinum-selling grunge legend.Across the entire body of Foo Fighters albums, the whole legendary Nirvana tale, the pre-history in the nascent Seattle scene and Grohl's flirtations with Queens of the Stone Age and his supergroup side-project Them Crooked Vultures, this is an utterly comprehensive, insightful chronicle of Dave Grohl's remarkable life.Drawing on new interviews with key figures in the Grohl story, this definitive biography of one of modern rock's most influential figures includes the stories of the multi-platinum opus Echoes, Silence, Patience and Grace, 2011's Wasting Light, which saw Grohl reunited with Nirvana producer Butch Vig and Sonic Highways, their ambitious homage to coast-to-coast US classic rock.'FASCINATING' THE GUARDIAN
