parts and literature dealers, clubs, specialty salvage yards and companies that repair & restore original parts. Organized to find what you need quickly and cheaply. Any year, any part, any Ford Truck/Ranchero. It's all in here! Over 80,000 books sold.

As Ford ' s follow-up to the famous flathead, the Y-block was Ford ' s first overhead-valve V-8 and it established an impressive high-performance legacy, winning many races in NASCAR and setting records at the Bonneville Salt Flats. This venerable Ford engine, which powers classic Thunderbirds, Crown Victorias, Edsels, and other cars, is enjoying a performance renaissance. Many aftermarket parts, including heads, can turn a sedate Y-block into a powerhouse. The engine earned its name from its deep-skirt block design that looked like a " Y. " This stout engine was installed in millions of Ford cars from 1954 to 1962 and Ford trucks from 1952 to 1964. Author and Ford tech expert Charles Morris explains each critical aspect of rebuilding a stock 239-, 256-, 272-, 292-, and 312-ci Y-block and building a modified Y-block. He shows you how to identify components and conduct a thorough inspection so you select a sound block, heads, intake, and other components. He explains the specifics for obtaining high-quality machining work and verifying clearances. In addition, he delves into the intricacies of each step of the assembly process so you can rebuild a strong-running and reliable engine. Most important, Morris details the steps to effectively remedy the Y-block oiling problems. This is the book Ford Y-block owners and fans have been waiting for. It ' s an indispensable guide for performing a professional-caliber rebuild and buildup of the Y-block.

What's Inside This Guide: MAINTENANCE GUIDE for extending the life and value of your cover CARE ADVICE for all sorts of weather conditions and what life throws at your cover. CLEANING INSTRUCTIONS so no matter how dirty your truck gets, your cover comes out looking new. REPAIR GUIDE for how to document issues, warranty claims, and finding replacement parts. About the Author: John Dabbs has been a paramedic for over thirty years in Northeast Tennessee. He works the family farm with his father and sons. He has owned many trucks over the years - Toyota, Dodge, Ford, Chevrolet, and GMC. He's used covers on and off with each of them over the years, and due to the rough work of farm living, he's had to maintain his truck cover and make a few minor repairs. "If only more facets of life could be as thoughtful as TonneauCovered we'd be doing alright. Really thoughtful use of technology to connect with potential customers. Thanks guys! Just put on the
