Today
This book—an
ethnographic and
discourse analytic study
of an after-school video-
making project for 1.5-
and second-generation
Southeast Asian
American
teenagers—explores the
relationships among
stereotype, identity, and
ethnicity that emerge in

Get Free Forever

this informal educational setting. Working from a unique theoretical foundation that combines linguistic anthropology, Asian American studies, and education, and using rigorous linguistic anthropological tools to closely examine video- and audio- recorded interactions gathered during the video-making

Get Free Forever

project (in which teen participants learned the skills for creating their own video and adult staff learned to respect and value the local knowledge of youth), the author builds a compelling link between micro-level uses of language and macro-level discourses of identity, race, ethnicity, and culture. In this study of the ways in which

Get Free Forever

teens draw on and play with circulating stereotypes of the self and the other, Reyes uniquely illustrates how individuals can reappropriate stereotypes of their ethnic group as a resource to position themselves and others in interactionally meaningful ways, to accomplish new social actions, and to assign

Get Free

Forever

new meanings to stereotypes. This is an important book for academics and students in sociolinguistics, linguistic anthropology, discourse analysis, and applied linguistics with an interest in issues of youth, race, and ethnicity, and/or educational settings, and will also be of interest to readers in the fields of
