Forex Made Simple is the essential guide for anyone who wants to make money trading foreign exchange, without all the fuss You don't need to be a financial wizard or spend all day glued to a computer screen to trade forex profitably. Including the information you need to know (and nothing more), this book provides straightforward strategies anyone can use--no expensive broker required! Inside you'll find information on: currencies and economies types of forex markets retail forex dealers and market makers placing trades economic indicators and events that affect exchange rates money and risk management If you're ready to take the plunge into the forex market and maximize your success without all the stress, this is the book for you.

The first plain-English introduction to foreign currency exchange trading--one of today's hottest profit opportunities The foreign currency market is the largest financial market in the world, and foreign exchange trading is quickly becoming one of today's most high-profile, potentially lucrative markets. One problem is that books on the topic are complex, technically dense, and difficult for Forex novices to grasp. FOREX Made Easy is the first book to approach the topic in a detailed yet accessible style, gradually and deliberately moving from simple to complex in easy and natural language. Author James Dicks--founder of the popular trading software 4X Made Easy--draws upon his trading knowledge to give readers only the information they need, from setting up a workstation to trading electronically. This Forex guidebook provides traders with: An easy-to-follow, six-step process for FOREX trading Methods for gaining an advantage using technical analysis Dozens of examples to illustrate key points

The purpose of this book is to show you how to make money trading Forex. Thousands of people, all over the world, are trading Forex and making tons of money. Why not you? All you need to start trading Forex is a computer and an Internet connection. You can do it from the comfort of your home, in your spare time without leaving your day job. And you don't need a large sum of money to start, you can trade initially with a minimal sum, or better off, you can start practicing with a demo account without the need to deposit any money. Forex Trading is very simple and straightforward, we only deal with a pair of currencies, and it has quite a high profit potential. Forex allows even beginners the opportunity to succeed with financial trading. Actually people that have minimum financial track record can easily make money by learning how to trade currencies online. This book features the in and outs of currency trading as well as strategies needed to achieve success in the trading. Here are some of the topics you'll discover while reading the book: * The single most critical factor to Forex trading success - ignore it at your own perils. * Simple, easy to copy ideas that will enhance your chances of winning trades. * What you need to succeed in currency trading. * Advantages of trading Forex. * Effective risk management strategies to help you minimize your risk and conserve your capital. * Key factors to successful financial Forex trading. * How to develop Forex trading strategies and entry and exit signals that work. * A list of easy-to-follow tips to help you improve your trading successes. * All this and much much more. Table of Contents 1. Making Money in Forex Trading 2. What is Forex Trading 3. How to Control Losses with "Stop Loss" 4. How to Use Forex for Hedging 5. Advantages of Forex Over Other Investment Assets 6. The Basic Forex Trading Strategy 7. Forex Trading Risk Management 8. What You Need to Succeed in Forex 9. Have you lost money trading the Forex Markets? Or are you consistently winning and making a regular income with your trading? Are you watching the markets without enough confidence to enter trades? Are you spending money in third-part systems that don't seem to yield you any results? Are you wasting your money trading without enough knowledge? Do you want to understand the systems and tactics advanced and professional Forex traders use to build their accounts? If you aren't achieving the results you want from Forex Trading this book will help you get there faster and easier. If you only knew that by tweaking and fixing certain aspects of your trading you could literally start making money right away. The knowledge and information contained in The Black Book Of Forex Trading was learned by me after several years of losing, trying and testing. Spending thousands in systems, courses and coaches to get to where I am now. You could easily learn the core of what I know by reading this book. And literally change your trading forever since the concepts are simple and easy to follow. What actionable and realistic Forex tactics will you learn? -How to stop struggling with the markets -How to STOP losing money! -Gain enough confidence to trade, knowing that you have the right knowledge and the numbers are in your favor -Adapt any of my THREE proven, powerful yet simple forex trading strategies to your own needs (day trade, swing trade or position trade) -Start earning money CONSISTENTLY -Become a profitable trader in four months or less -Fund your financial freedom and the lifestyle you want with your trading All of this while you develop a real Forex System to win constantly Trading doesn't have to be complicated to make you money Aimed for beginner to intermediate traders who can't yet become successful in their trading, this book will guide you and help you answer many questions normally other books, courses and gurus won't cover. Written by a real trader who lost most of his life savings due to bad trading, only to make them back many times over after learning a Proven, Powerful yet Simple method that is COMPLETELY laid out for you in this book, no secrets kept. This book covers the three main areas of trading: 1- Strategies - how to adapt a winning strategy to your personal lifestyle and needs (no black box or spaghetti charts full of indicators and lines, just simple and pure price action, easy to read and follow) 2. Money Management - How to optimize and maximize your winnings without risking too much 3. Get control of your emotions and become a better trader - Why most traders let their emotions rule their trading and a few simple steps to control how your mind play tricks to you while you trade. At the end of the book you will find a very simple to follow yet very powerful blueprint to plan your next months, get control of your financial future and achieve your trading success. Download your Copy of The Black Book of Forex Trading NOW and change your trading forever P.S. You'll be able to notice a difference within 24 hours

The essential guide to trading futures, without all the fuss This uncomplicated guide for beginners proves that you don't have to be a financial wizard to successfully trade futures . . . and you don't have to hire a financial advisor to tell you what to do either. Instead, Futures Made Simple outlines the basic strategies that even novice investors can use to make money with futures. The book lays just what you need to know—what futures are, how the exchanges work, how to analyse the markets, and how to trade futures either on- or offline. An excellent entry-level guide to futures trading Written by a successful trader with almost two decades of experience in equities, futures, options, and other vehicles Features easy-to-understand examples and bulleted summaries of key points to make learning simple For investors at any level of experience who want to move into futures trading, Futures Made Simple offers expert advice and fundamental guidance for profitable investing.

Forex For Beginners is the prequel to my first two books, A Three Dimensional Approach to Forex Trading, and A Complete Guide to Volume Price Analysis. It is your primer to the world of forex. It has been written to lay the foundations and provide the framework for getting started in the world of forex, in what I believe is the correct way. My other books then build on what you will learn here, to further develop your trading skills and knowledge. What I try to do in all my books, is to show you how to apply that knowledge to help you become a more confident trader. After all, learning is all well and good, but if we are not taught how to apply that knowledge in a practical way, then it is of little use. It is the application of knowledge that empowers, and this is what I have tried to do here, and in my online training rooms, and all my books. There are of course many books about forex trading. What is different about this book, is the focus on those aspects of trading which I believe are fundamental. After all, there are only two questions we need to answer when considering a position in the market:- What is the risk on this trade - high, medium or low? What is the financial risk on this trade? The first is the hardest question to answer, and the book will explain in detail the analysis and approach to use, in order to answer this question with confidence. The second question is more straightforward and is answered provided you have an understanding of risk, money management and position sizing in relation to your trading capital. Again, this is covered in detail in the book. As the tag line on the front cover says 'What you need to know to get started, and everything in between' which really sums up what you will learn. The book explains everything, from the pure mechanics to the trading methodology that I advocate, and which I have used in all my own trading and investing for over 17 years. Forex For Beginners is also dedicated to all those traders who have asked me to write such an introduction, based on my knowledge and my methodology. This book is for you.

Secrets for a Healthy Stream of Income from Forex Trading! ~BONUS RIGHT AFTER THE CONCLUSION - ACT NOW BEFORE IT'S GONE! Foreign exchange trading (or forex trading) is quickly becoming a viable way for people to make money from the comfort of their own computer desk, but many do not know how to effectively participate in the trading. They just don't seem to be able to make a profit, and some even continuously work at a loss. This book gives a tutorial for effective forex trading from someone who has been in the game for a long time. The information is presented in a detailed, yet easy to comprehend fashion that is great for anyone willing to learn. Delve into the secrets for making your Forex trading a profitable investment for you! Here's a Preview of What You Will Learn * The concept of foreign exchange trading * Fundamental Analysis * Technical Analysis * Trading on margin * How to create a good trading plan This is First Edition - More Updated Editions Coming Soon! BUY NOW! Scroll up to Buy with One-Click!

This is the book the author wished he had been able to find when he started trading the foreign exchange market. A clear, easy to follow, and complete blueprint on how to start trading the Forex profitably and while minimizing risks. Bypassing the hype present in today's multi-thousand dollar courses that over promise, under deliver, and have led many to frustration and loss of funds, this book takes you by the hand to guide you safely past the minefields. Forex Trading doesn't have to be complicated. All it takes is an understanding of how the Forex Market works and its history, how to perform technical and fundamental analysis, and most important, equity and risk management. Where others give bits and pieces, this book holds nothing back. Every bit of information needed to get started and profit is provided. - History of the Forex Market - The Necessary Psychology a Trader HAS to have - How to set up charts - How to set up an account - Understanding Candlestick Patterns - Technical Analysis - Fundamental Analysis - Trading Strategies - Equity Management - Risk Control - Managing Open Trades - Budgeting for Profits - Avoiding Black Swans - What NOT to do - What to do after success - Recommended Reading There are companies charging thousands of dollars for half the information in this book. Read this book before spending your hard earned cash on such products. Start trading with that money instead. Access the companion website and the author for further tips and assistance. Use this book to successfully trade in the world's largest market, which trades in excess of \$5 trillion dollars every day, 24 hours day, except weekends. Understand what works and what doesn't work, in easy to understand language, without the need for a financial dictionary or any math skills more advanced than middle school math. Stop depending solely on a job or on temperamental clients. Trading the Forex Market requires no interaction with any other people in order to profit. Perfect for those looking for a second income in their spare time, since the market is open 24 hours a day, 5 and a half days a week. Stay at home moms can actually stay at home. Work your way up to fully replacing your salary and even retiring early. Make money for yourself and your family instead of for a company that sees you as just one more replaceable cog. Join a community of intelligent people who let their money work for them, instead of them working for

money. Learn one of the best skills to have in times of uncertainty, the ability to make money at will. See you on the inside!
