need to forge closer partnerships with their employees-partnerships defined by shared risks, responsibilities, and rewards. But a paradigm shift of this magnitude cannot occur without considerable effort on the parts of both employers and employees. Such a successful fusion of personal and organizational visions requires a radical change in attitudes, expectations, and work patterns, and those who are quickest to make those changes are sure to be the big winners in the years ahead. The Fourth Dimension provides a comprehensive program for managers challenged to do more with less and individuals seeking to improve the quality of their worklives. It offers proven techniques to help you excel in the three primary work dimensions outlined in the authors' acclaimed MetaWork System(TM): * PowerWork(TM): efficiency, effectiveness, and the achievement of the right results * NetWork(TM): sharing competence and knowledge with others and developing more dynamic working relationships * ValueWork(TM): achieving more frequent breakthroughs in performance and value added based on individual and group ideas You'll learn how to integrate these three primary dimensions into an incredibly potent Fourth Dimension, a newly defined workspace within which individuals, teams, and entire companies continually exceed their best hopes and expectations. Throughout The Fourth Dimension, the authors provide vivid real-life illustrations of the astonishing results that have been achieved with the techniques they describe. Personal profiles of leaders such as Rebecca Matthias of Mothers Work and Steve Wiggins of Oxford Health Plans, as well as case studies of top companies, including Hewlett-Packard, Compaq, and Microsoft, lead you to a fuller understanding of the revolutionary changes now reshaping the work world and how many of today's business leaders have learned to use fourth dimensional thinking to gain the competitive edge. Revival comes from prayer. Today's church needs an outpouring of the Holy Spirit. Early church leaders like Luther, Wesley, Finney and Moody were filled and refilled with the Holy Spirit. Prayer like theirs was the powerful key to every revival throughout Christian history. Whether you're an ordained minister, a stay-at-home mom, or a new Christian, God can work through you. Join Yonggi Cho and Wayde Goodall in Prayer, the story of Pastor Cho's personal life and successful ministry. Readers will: understand the different types of prayer, value the importance of prayer, learn why, how, and when to pray, cultivate a lifestyle of prayer, and receive new revelations of how to listen to the Holy Spirit. Hear the secrets God desires to share with you and be immersed in His profound love.
