father doesn't believe in vampires, only vengeance. And now, another life may be at risk unless Rizzoli and Isles can uncover the astonishing truth. Includes an excerpt from Tess Gerritsen's Rizzoli & Isles novel *The Silent Girl*

NEW YORK TIMES BESTSELLER Rizzoli & Isles now a series on TNT In the murky shadows of Boston's Chinatown lies a severed hand. On the tenement rooftop above is the corpse belonging to that hand, a red-haired woman dressed in black, her head nearly decapitated. Two strands of silver hair—not human—cling to her body. They are homicide cop Jane Rizzoli's only clues, but they're enough for her and medical examiner Maura Isles to make the startling discovery: that this violent death had a chilling prequel. Nineteen years earlier, a horrifying murder-suicide in a Chinatown restaurant left five people dead. One woman connected to that massacre is still alive—a mysterious martial arts master who is now the target of someone, or something, deeply and relentlessly evil. Cracking a crime with bone-chilling echoes of an ancient Chinese legend, Rizzoli and Isles must outwit an unseen enemy with centuries of cunning—and a swift, avenging blade. Don't miss Tess Gerritsen's short story "Freaks" in the back of the eBook.

When Boston homicide detective Jane Rizzoli and medical examiner Maura Isles are summoned to a crime scene, they find a killing worthy of the most ferocious beast--right down to the claw marks on the corpse. But only the most sinister human hands could have left renowned big-game hunter and taxidermist Leon Gott gruesomely displayed like the once-proud animals whose heads adorn his walls. Did Gott unwittingly awaken a predator more dangerous than any he's ever hunted?

Stranded with her traveling companions in an eerily deserted Wyoming village during a blizzard, Maura discovers that they are being watched and pursues help when a party member is injured, an effort that turns nightmarish when she is abducted into the woods.

'Expect a white-knuckle ride to very dark places.' Paula Hawkins When a young woman is found dead, Detective Jane Rizzoli and Forensic Pathologist Maura Isles are called to the scene of the murder. Though the body bears startling wounds, the actual cause of death is not immediately clear. A few days later, another body is discovered - a seemingly unrelated crime, but the lack of an obvious cause of death shows they have more in common than it would first appear. As Rizzoli and Isles race to discover the link between the victims before the killer can strike again, a mysterious person watches from the sidelines. She has the answers they're looking for. But she knows she has to stay quiet, if she wants to stay alive . . . 'A fast-paced, dark, edgy mystery/thriller filled with unremitting suspense.' Huffington Post

Returning to Cambridge after witnessing one of the worst mass killings in U.S. history, an exhausted Scarpetta investigates the murder of a young graduate student who is subsequently linked to bizarre homicides in Washington, D.C., where Scarpetta's FBI agent husband is tracking down a serial killer. Reprint.

Rizzoli & Isles are back! From New York Times bestselling author Tess Gerritsen, this "shocking and fast-paced" (Karin Slaughter) thriller has Jane and Maura investigating a brutal murder with dire implications, and this time, with Jane's intrepid mother, Angela, looking into a mystery of her own. "Absolutely first rate—readers will be thrilled and delighted by this new Rizzoli & Isles outing!"—Shari Lapena, New York Times bestselling author of *The Couple Next Door* Mothers know best . . . But who will listen? Boston homicide detective Jane Rizzoli and medical examiner Maura Isles are newly plagued by what seems like a completely senseless murder. Sofia Suarez, a widow and nurse who was universally liked by her neighbors, lies bludgeoned to death in her own home. But anything can happen behind closed doors, and Sofia seemed to have plenty of secrets in her last days, making covert phone calls to traceless burner phones. When Jane finally makes a connection between Sofia and the victim of a hit-and-run from months earlier, the case only grows more blurry. What exactly was Sofia involved in? One thing is clear: The killer will do anything it takes to keep their secret safe. Meanwhile, Angela Rizzoli hasn't had a decent night's sleep in all the years since her daughter became a homicide detective. Maybe the apple didn't fall too far from the tree: Nothing in Angela's neighborhood gets by her—not the gossip about a runaway teenager down the block and definitely not the strange neighbors who have just moved in across the street. Angela's sure there's no such thing as coincidence in her sleepy suburb. If only Jane would listen—instead she writes off Angela's concerns as the result of an overactive imagination. But Angela's convinced there's a real wolf in her vicinity, and her cries might now fall on deaf ears. With so much happening on the Sofia case, Jane and Maura already struggle to see the forest for the trees, but will they lose sight of something sinister happening much closer to home?

The literature of larceny welcomes a newcomer with some serious chops, as Steven M. Thomas muscles his way to a place at the table—elbow-to-elbow with Elmore Leonard and Carl Hiaasen—courtesy of a harrowing, hilarious, two-fisted, hard-boiled thriller that's pure heaven for anyone who loves a hell of a crime novel. Robert Rivers is a crook. No excuses, no apologies. Breaking the law is his calling, crime is his rush, capers his reason for getting up in the morning and staying up late at night. But he's a thief with honor, plotting and pulling off carefully choreographed heists where no shots are fired, no blood is spilled, and nobody gets hurt . . . except in the wallet. After a brief stint behind bars back in the day, he's managed to carve out a comfortable existence, cheerfully plundering the sunny Southern California community whose streets he tools in the tweaked-out Cadillac DeVille that's his pride and joy. But now Rob (whose name has become ironic) is pushing forty, and—like his trusty partner, Switch, who's got a pregnant girlfriend and a hefty stash of loot—he's thinking about quitting the game. But then he and Switch, pulling their latest Butch and Sundance, score a payday that could end up costing them plenty. Inside a strongbox packed with greenbacks rests a disturbing black-and-white photo of a beautiful young girl, eyes full of fear as naked as she is. It's an image that Rob can't shake, and a wake-up call: There are rules even he won't break. It's also his one-way ticket into the underbelly of the underworld—a lethal landscape of sex slaves, sadistic psychopaths, and sawed-off shotguns, where honor is for fools, and trust is for suckers, where very bad people do even worse things and nice guys don't finish at all. They just get finished off. With its alluring setting, quirky characters, and restrained and subtle prose, *Criminal Paradise* has something for every thriller fan. And with sharp natural instincts and writing skills as serious as his humor is

## Read Free Freaks A Rizzoli Isles Short Story

sly, Steven M. Thomas shows as much promise as any author on the suspense scene.

Boston Medical Examiner Maura Isles is summoned to the scene of a brutal killing and teams up with Detective Jane Rizzoli to investigate the victim's ties to Joyce O'Donnell, a cantankerous psychologist, and to a sinister cabal called the Mephisto Club.

Ashley Reeves is a young journalist at freak-of-nature magazine Missing Link. His future's bright, even if he does spend most of his time investigating hoaxes. When he receives a letter promising him a once-in-a-lifetime story, he jumps at the opportunity. The only thing is, his life is exactly what it might cost him. The letter is from Reginald Mather, a man who at first seems no more than an eccentric collector of insects, happy to live in isolation on a remote island. But when Ashley finds himself stranded with Mather and unearths the horrific truth behind the collector's past, he is thrown headlong into a macabre nightmare that quickly spirals out of control. Ashley's life is in danger. . . . And Mather is not the only enemy. . . . Gruesome, compelling, and terrifying, *The Hand of the Devil* will make you never want to leave the house without bug spray again.
