For MBA level Marketing Management and/or Marketing Strategy courses, or a capstone undergraduate marketing course. Strategic, applied, and performance-oriented. While most textbooks in this area stress concepts and theory, Market-Based Management, 4e, incorporates a more strategic and applied approach. External performance metrics of a business are emphasized and actual measurement tools are provided. Its streamlined organization makes it ideal for courses in which outside cases and readings will be assigned.

Appropriate for all basic-to-intermediate level courses in Visual C# 2012 programming. Created by world-renowned programming instructors Paul and Harvey Deitel, Visual C# 2012 How to Program, Fifth Edition introduces all facets of the C# 2012 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual C# 2012; all discussions and sample code have been carefully audited against the newest Visual C# language specification. Students begin by getting comfortable with the C# Express 2012 IDE and basic Visual C# syntax. Next, they build their skills one step at a time, mastering control structures, classes, objects, methods, variables, arrays, and the core techniques of object-oriented programming. With this strong foundation in place, the Deitels introduce more sophisticated techniques, including searching, sorting, data structures, generics, and collections. Throughout, the authors show students how to make the most of Microsoft's

Visual Studio tools. A series of appendices provide essential programming reference material.

Warning: This book contains violence, excessive language, and strong sexual content. It's intended to be read by mature audiences. Part one of a two part series. There are three things Lily Evans immediately notices about her new neighbor, Jay Lincoln. The first is his monstrous size, the second is the malicious way he glares at her, and thirdly, but most importantly, the three scars that mark his right eye. She knows the smart thing to do is stay away, but she has never met or seen anyone like him. The more time she spends with this frightening yet captivating man, the harder it becomes. He can make her hairs stand on end but he also has a sweetness to him that tugs at her heart. Soon she finds herself merged into his world full of murder, revenge, and deceit.
