From the Queen of Erotica, Zane's Addicted with a Twist is the sequel to Addicted, her wildly popular novel about a married woman whose life spirals out of control when her three affairs lead her down a dark and twisted path, now a major motion picture distributed by Lionsgate. Three years after the end of Addicted, Zoe and Jason Reynard are still married and raising their family together.

The New York Times bestseller Adapted into a major motion picture distributed through Lionsgate From the Queen of Erotica, Addicted tells the provocative story of one married woman's struggle to deal with the fall-out of her forbidden desires. The world of Addicted is continued in the New York Times bestseller Nervous, and Zane's highly-anticipated upcoming novel Vengeance, available May 24, 2016. For successful businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants it, is not worth the risk of losing everything she has: a charmed marriage to her childhood sweetheart, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction—to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on rumpled sheets, to the rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her "fatal attraction." Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage—and her life.

New York Times bestselling author Zane presents a tantalizing short story collection, *Zane's Sex Chronicles*, which is now the basis of the Cinemax series *Zane's Sex Chronicles* -- the first urban erotic series on television. The series calls for a sexual revolution and brings forth our favorite characters -- Patience James aka Zane, Maricruz, Lyric, Eboni, and Ana Marie -- as a force to be reckoned with as they balance common day-to-day issues, a slew of hot sex, and the fine men in the big city. Learn more about their backgrounds in this special tie-in edition. Like the series, *Zane's Sex Chronicles* is about empowerment and liberation -- both in and out of the bedroom. Pleasurable from beginning to end, this anthology brings together fifteen hunger-inducing stories from the original bestselling editions of *The Sex Chronicles: Shattering the Myth* and *Gettin' Buck Wild: Sex Chronicles II*. *Zane's Sex Chronicles* weaves together a compilation of bold characters and provocative stories of passion and intoxicating eroticism to seduce both men and women.

Struggling with a split personality that renders her shy and repressed on one side and promiscuous and brazen on the other, Jonquinette seeks psychiatric counseling, but her progress is impeded by her alter ego's determination to survive.

Most addictive behavior is rooted in some type of loss, be it the death of a loved one, coming to terms with limitations set by chronic health problems, or the end of a relationship. By turning to drugs and alcohol, people who have suffered a loss can numb their grief. In the process, they postpone their healing and can drive themselves further into addiction. The *Mindfulness Workbook for Addiction* offers readers an effective program for working through their addiction and grief with cognitive behavior therapy (CBT), dialectical behavior therapy (DBT), and acceptance and commitment therapy (ACT). Created by a psychologist who works for the Department of Veterans Affairs and a marriage and family therapist who works for Sharp Mesa Vista Hospital, this mindfulness training workbook is effective for treating the emotion dysregulation, stress, depression, and grief that lie at the heart of addiction. No matter the loss, the mindfulness skills in this workbook help readers process their grief, determine the function their addiction is serving, and replace the addiction with healthy coping behaviors.
