As a Space:1999 novel, "The Forsaken" is
standout. In terms of the series and the
medium, it does exactly what it needed to
do to maximize its potential. It describes
alien races and events that were

oppressed communities have also made use of religion to critique and challenge this abuse. As Liberation Theologies in the United States demonstrates, this critical use of religion has often taken the form of liberation theologies, which use primarily Christian principles to address questions of social justice, including racism,
