A guide to collecting the television magazine which includes fifty years of national and regional covers, a history of television programming, a publication history of the guide, and a table of the current market value for each issue.

First volume book in a series aimed at providing alternatives to pay TV. In this book you will learn the basics on how to analyze your TV sockets and features, plan and choose a TV antenna, find a list of where to buy antennas (online and retail), use free online websites and tools, set up your TV to receive over-the-air signals, and how to set up online and mobile TV programming show guides. Detailed instructions of installing outdoor antennas is not covered in this book, rather it lists the basic parts. Content in this is specific only to regions within the United States.

Comprehensive & Easy To Understand - Updated June 2019 Simple Guide to Over-the-Air Free TV sets itself apart by providing people presumed to have no previous technical knowledge with useful, no-nonsense cordcutting information and an easy step-by-step guide to successful cord cutting. Delivered in a conversational tone, the book is clear without being condescending, empowering even the least technically savvy person of any age to confidently cut the cord, save money and enjoy free TV! Simple Guide to Over-the-Air Free TV provides would-be cordcutters with an honest look at the pros and cons of traditional cable and satellite TV service vs over-the-air TV. The book explains how supplementing OTA TV with streaming media players like Amazon's Fire TV, in combination with streaming media services like Netflix and Hulu, can create personalized, inexpensive entertainment options to bundled cable or satellite programming packages. Simple Guide to Over-the-Air Free TV is easy to understand, a do-it-yourself guide written by a female cord cutter who is saving over \$1000 a year by cord cutting and wants you to be able to do it too! The book is not a quickly thrown together attempt to cash in on the cord cutting revolution, nor is it an all-encompassing technical manual filled with confusing jargon. Instead, the book is a useful consumer guide for novices or those afraid that obtaining free TV is just too technical for them to attempt. The book outlines the basic concepts surrounding cord cutting, making it easy for anyone to dump cable TV without a loss of entertainment. In This Book You Will Learn... *How to set up and use a flat indoor HDTV antenna to get crystal clear FREE TV in high definition!*An easy, step by step method to help you decide if dropping your television provider in favor of over-the-air free TV is really for you.*Non-technical explanations of terminology related to cord cutting.*How to locate TV towers in your area broadcasting free TV so you can enjoy TV without cable or satellite.*About lesser-known online resources to assist you when you cut the cord.*The realities of life after cordcutting, and alternatives to cable TV and satellite.*How to gain 1,000's of viewing options by using streaming media devices.*Honest answers to common questions like "Where do I find a TV guide for over-the-air TV shows?" If you are looking for a straightforward how-to manual to help you cut the cord, read Simple Guide to Over-the-Air Free TV and to learn how to save money and start enjoying TV on your terms today! Look for even more helpful books from this author in the Non-Technical Guide To Cord Cutting series.

Your days of feeling enslaved, discouraged, and overwhelmed by your financial problems are over! From struggling financially all the way up to building a successful worldwide ministry and enjoying financial freedom, author Gary Keese shares his journey and his proven successful principles so you can control your finances. You will learn the spiritual laws of God's Kingdom and exactly how to apply each principle discussed. Also clearly and expertly explained is how to: Find lost money. Put a plan in place to be out of debt in less than 7 years (including your mortgage!). Save in every area of life. See that the financial laws of the Kingdom can intersect with the natural realm to bring you freedom from worry and fear. From pitfalls to avoid to proactive steps to take, the path to financial freedom is clearly illuminated. Fixing the Money Thing is not a book of boring numbers and budgets—it is an inspirational book that will change your life in many positive and lucrative ways.

If any of us learned we were going to move to a foreign country, we'd do everything we could to learn about that place so that we'd be prepared when moving day arrived. As Christians, we know some day we will leave our familiar country and be united with God in heaven. And yet many of us know very little about this place called heaven. In this enlightening book, bestselling author Dr. Robert Jeffress opens the Scriptures to unpack ten surprising truths about heaven and explain who we will see there and how we can prepare to go there someday. Perfect for believers or skeptics who are curious about heaven.
