`Frida: The Biography of Frida Kahlo' is the book the excellent film was based upon and if you have seen the film and enjoyed it, you can see where the poetry and detail comes from when you read this. This book explores Frida's life and art and whilst this is a biography of her life, it also doubles a critique of some of her art as well.

An in-depth biography of Mexican artist Frida Kahlo details her haunting and original painting style, her turbulent marriage to muralist Diego Rivera, her association with communism, and her love of Mexican culture and folklore

This beautifully-illustrated and engrossing biography of the Mexican painter Frida Kahlo reveals a woman of extreme magnetism and originality and an artist whose sensual vibrancy came straight from her own experiences. Born and brought up near Mexico City during the Mexican Revolution, she suffered a devastating accident aged eighteen, which left her crippled and unable to bear children. Her marriage to the muralist Diego Rivera was tempestuous, and she had many love affairs with men as diverse as Isamu Noguchi and Leon Trotsky. Absorbed in Mexican folklore and culture and a lover of dramatic spectacle, Kahlo's tumultuous life is that of an extraordinary twentieth-century woman.

You can always recognize a painting by Kahlo because she is in nearly all—with her black braided hair and colorful Mexican outfits. A brave woman who was an invalid most of her life, she transformed herself into a living work of art. As famous for her self-portraits and haunting imagery as she was for her marriage to another famous artist, Diego Rivera, this strong and courageous painter was inspired by the ancient culture and history of her beloved homeland, Mexico. Her paintings continue to inform and inspire popular culture around the world.

Chronicles the life of the famous Mexican painter, detailing her works, her marriage to artist Diego Rivera, and her struggle to overcome several personal tragedies.

One of the most important artists of the twentieth century and an icon of courageous womanhood, Frida Kahlo lives on in the public imagination, where her popularity shows no signs of waning. She is renowned for both her paintings and her personal story, which were equally filled with pain and anguish, celebration and life. Thousands of words, including her own, have been written about Kahlo, but only one previous biography has recorded her fascinating, difficult life. Frida Kahlo by María Hesse offers a highly unique way of getting to know the artist by presenting her life in graphic novel form, with striking illustrations that reimagine many of Kahlo's famous paintings. Originally published in Spanish in 2016, Frida Kahlo has already found an enthusiastic audience in the Spanish-speaking world, with some 20,000 copies sold in just a few months. This translation introduces English-language readers to Kahlo's life, from her childhood and the traumatic accident that would change her life and her artwork, to her complicated love for Diego Rivera and the fierce determination that drove her to become a major artist in her own right. María Hesse tells the story in a first-person narrative, which captures both the depths of Frida's suffering and her passion for art and life.

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr's engrossing account provides scholarly though accessible analysis for both feminists and art lovers." —Publisher's Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. *Frida in America* is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, *Frida in America* recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

Revel in the enduring legacy of Mexican artist Frida Kahlo—from the self-portraits, to the flower crown, to her iconic eyebrows—with this fun and commemorative book! With her colorful style, dramatic self-portraits, hardscrabble backstory, and verve for life, Frida Kahlo remains a modern icon, captivating and inspiring artists, feminists, and art lovers more than sixty years after her death. Forever Frida celebrates all things Frida, so you can enjoy her art, her words, her style, and her badass attitude every day. Viva Frida!

One of Mexico's most celebrated new novelists, F. G. Haghenbeck offers a beautifully written reimagining of Frida Kahlo's fascinating life and loves. When several notebooks were recently discovered among Frida Kahlo's belongings at her home in Coyoacán, Mexico City, acclaimed Mexican novelist F. G. Haghenbeck was inspired to write this beautifully wrought fictional account of her life. Haghenbeck imagines that, after Frida nearly died when a streetcar's iron handrail pierced her abdomen during a traffic accident, she received one of the notebooks as a gift from her lover Tina Modotti. Frida called the notebook "The Hierba Santa Book" (The Sacred Herbs Book) and filled it with memories, ideas, and recipes. Haghenbeck takes readers on a magical ride through Frida's passionate life: her long and tumultuous relationship with Diego Rivera, the development of her art, her complex personality, her hunger for experience, and her ardent feminism. This stunning narrative also details her remarkable relationships with Georgia O'Keeffe, Leon Trotsky, Nelson Rockefeller, Ernest Hemingway, John Dos Passos, Henry Miller, and Salvador Dalí. Combining rich, luscious prose with recipes from "The Hierba Santa Book," Haghenbeck tells the extraordinary story of a woman whose life was as stunning a creation as her art.

Discover the life of Frida Kahlo--a story about strength, creativity, and never giving up Frida Kahlo is one of the most celebrated artists in the world, but before she made history with her beautiful paintings and brave spirit, she went through a life-changing accident that would have made many people want to give up. A lasting legacy--Learn about how Frida made the world a better place for future generations. Take an exciting stroll through history with this illustrated Frida Kahlo children's book.

Frida Kahlo stepped into the limelight in 1929 when she married Mexican muralist Diego Rivera. She was twenty-two; he was forty-three. Hailed as Rivera's exotic young wife who "dabbles in art," she went on to produce brilliant paintings but remained in her husband's shadow throughout her life. Today, almost six decades after her untimely death, Kahlo's fame rivals that of Rivera and she has gained international acclaim as a path-breaking artist and a cultural icon. Cutting through "Fridamania," this book explores Kahlo's life, art, and legacies, while also scrutinizing the myths, contradictions, and ambiguities that riddle her dramatic story. Gannit Ankori examines Kahlo's early childhood, medical problems, volatile marriage, political affiliations, religious beliefs, and, most important, her unparalleled and innovative art. Based on detailed analyses of the artist's paintings, diary, letters, photographs, medical records, and interviews, the book also assesses Kahlo's critical impact on contemporary art and culture. Kahlo was of her time, deeply immersed in the issues that dominated the first half of the twentieth century. Yet, as this book reveals, she was also ahead of her time. Her paintings challenged social norms and broke taboos, addressing themes such as the female body, gender, cross-dressing, hybridity, identity, and trauma in ways that continue to inspire contemporary artists across the globe. *Frida Kahlo* is a succinct and powerful account of the life, art and legacy of this iconic artist.
