From the author of Stuff Christians Like comes a fresh take on a timeless subject, money. A member of the Dave Ramsey team, Jon Acuff offers a front row seat to all of the silly things we do when it comes to paying off debt, managing our money and everything in between.

Using the same humor and honesty that galvanized more than a million online readers from more than 200 countries, speaker Jon Acuff brings his insightful take on Christianity to the book world with this new edition of Stuff Christians Like. Do you constantly find yourself towing the fine line between praying before certain types of meals and not others? This

book is for you. Have you fallen in love on a mission trip, just to break up when you get home? This book is for you. Are you a unicorn of purity who ranks honeymoon sex slightly higher than the second coming of Christ? Guess what – this book is for you, too. It's time to shake off Somber Christian Syndrome and embrace the quirks of being a member of God's kingdom. This book will teach you how to: Break up with your small group Subtly find out if your new Christian friends drink beer too Recognize the shame grenade that is a Jesus Juke Avoid a prayer handholding faux pas Say something Christian-y without looking like a snake handler From prayer shot blocks to metro worship leaders, no stone is left unturned in this hilarious look at faith. "I never knew how much I needed Jesus until I found out I was judging people who use the table of contents in their Bible. This book saved me from looking like a bad Christian." – Sister Mary Francis, Rhode Island. "It's such a time saver to know that my Chick-fil-a from the drive-thru comes pre-blessed. I always knew I was making the right choice by choosing the Lord's chicken." – Dave L., South Carolina.

Many second-generation believers struggle to develop authentic faith. Is it the parenting, the church, the systems? Or could it be that a background in the church provides its own unique set of struggles? Written from a confessed churchaholic—now an author, pastor, and father—REAL pulls open the curtains and offers an introspective look at what the Bible says to those who've grown up in the faith, answering the questions we've long been afraid to voice. Why do I desire to sin? What's the secret to lasting intimacy with God? REAL offers second-generation Christians a lifeline to personal intimacy with God, a biblical mandate to take ownership of their faith, and grace-based tips on continuing a legacy of faith.

From figuring out what your dream is to quitting in a way that exponentially increases your chance of success, Quitter is full of inspiring stories and actionable advice. This book is based on 12 years of cubicle living and my true story of cultivating a dream job that changed my life and the world in the process. It's time to close the gap between your day job and your dream job. It's time to be a quitter.

This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters. Questions and answers deal with 100+ of the most-asked questions from The Dave Ramsey Show—everything from budget planning to retirement planning or personal buying matters, to saving for college and charitable giving. This is Dave in his most popular format—ask a specific question, get a specific answer.

Go get the life you want. Be a Rhinoceros! There is something dangerous about this book. Something big. Something full of power, energy and force of will. It could be about you. You could become three tons of thick-skinned, snorting hard-charging rhinoceros. It is time to go get the life you want.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
