What “Give Me Liberty” aims to express is that even in a city as segregated as Milwaukee, America’s melting pot enables a diverse wealth of races, cultures and physical capabilities to blend together in beautiful and unexpected ways, just like the colorful trees drawn by Eisenhower Center resident Gregory Merzlak.

Give Me Liberty movie review & film summary (2019) | Roger ...

“Give me liberty or give me death.” When Patrick Henry, one of America’s founding fathers, spoke these words in his famous speech in 1775, he was talking about going to war with a foreign country in an attempt to gain independence. The phrase now represents a dichotomy for some: either give us liberty or give us death.

The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder -- if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In Give Me Liberty: A Handbook for American Revolutionaries, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

The leading text in the U.S. survey course.

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In Give Me Liberty, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

The leading text in the U.S. survey course.

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a dawning nation lays before him. “Filled with action, well-drawn characters, and a sympathetic understanding of many points of view.” —ALA Booklist

The leading U.S. history textbook, with a new focus on "Who is an American?"
