The Global
Competitiveness Report
2003-2004 is the 24th of
the World Economic
Forum's annual
rankings of the world's
leading economies.

Download
Ebook Global
Competitiveness
Report 1999

Written in a non-technical language and style, this report aims to appeal to a broad audience consisting of policy makers, business leaders and academics.

Since 1979 the World Economic Forum, a foundation based in Geneva, has produced

development of the
world economy during
the last twenty years.

The Global
Competitiveness Report
uses a research-based
Competitiveness Index
in which rankings of
relevant economies are
given on a multitude of
business and economic
factors. From its
inception, the Report
has furnished specific

Country's development,
enhance investor
confidence, and foster
their economies'
investment
competitiveness. The
report presents results of
a new survey of more
than 2,400 business
executives representing
FDI in 10 large
developing countries:
Brazil, China, India,
Indonesia, Malaysia,

Download Ebook Global Competition Report 1999

Mexico, Nigeria, Thailand, Turkey, and Vietnam. The results show that over half of surveyed foreign businesses have already been adversely affected by policy uncertainty, experiencing a decrease in employment, firm productivity, or investment. Foreign investors report that supporting political

Download Ebook Global Competitiveness Report 1999

environments, stable macroeconomic conditions, and conducive regulatory regimes are their top three investment decision factors.

Moreover, the report's new global database of regulatory risk shows that predictability and transparency increase investor confidence and FDI flows. The report

Download Ebook Global

also assesses the impact of FDI on poverty, inequality, employment, and firm performance using evidence from various countries. It shows that FDI in developing countries yields benefits to their firms and citizens- including more and better-paid jobs-but governments need to be vigilant about possible

Download Ebook Global adverse consequences on income distribution. Report 1999

The report is organized in 8 chapters: Chapter 1 presents the results of the foreign investor survey. Chapter 2 explores the differential performance and development impact of greenfield FDI, local firms acquired by multinational corporations {i.e.

(brownfield FDI), and
domestically-owned
firms using evidence
from six countries.

Chapter 3 assesses the
impact of FDI on
poverty, inequality,
employment and wages,
using case study
evidence from Ethiopia,
Turkey and Vietnam.

Chapter 4 presents a
new framework to
measure FDI regulatory

Download Ebook Global Competitiveness Report 1999

risk that is linked to specific legal and regulatory measures. Chapter S focuses on factors for increasing the effectiveness of investment promotion agencies.

The Global Investment Competitiveness report presents new insights and evidence on drivers of foreign direct

Report 1999
originating in
developing countries,
and examine the
experience of foreign
investors in countries
affected by conflict and
fragility. Three key
features of this Global
Investment
Competitiveness report
distinguish it from other
publications on FDI.
First, its insights are
based on a combination

Download Ebook Global Competitiveness Report 1999

of first-hand perspectives of investors, extensive analysis of available data and evidence, and international good practices in investment policy design and implementation.

Secondly, rather than exploring broad FDI trends, the report provides detailed and unique analysis of FDI

Download Ebook Global Competitiveness Report 1999

depending on its motivation, sector, geographic origin and destination, and phase of investment. Thirdly, the report offers practical and actionable recommendations to policymakers in developing countries wishing to reform their business climates for increased investment competitiveness. As

Download Ebook Global

such, the report is meant to complement other knowledge products of the World Bank Group focused even more explicitly on country-level data, detailed reform diagnostics, and presentation of best practices. We are confident this report will bring value and fresh perspectives to a variety of audiences. To

Download
Ebook Global
governments and
policymakers, including
investment promotion
professionals, the report
offers direct insights into
the role of government
policies and actions in
investors ' decision-
making. To foreign
investors and site
location consultants, the
report provides
information on FDI
trends and drivers across

Download Ebook Global

sectors and geographies. For academic audiences, the new datasets on investment incentives and FDI motivations enables opportunities for additional research and analysis. Lastly, for development assistance providers and other stakeholders, the report highlights key approaches for maximizing FDI 's

America's position as
the source of much of
the world's global

Download Ebook Global

innovation has been the foundation of its economic vitality and military power in the post-war. No longer is U.S. pre-eminence assured as a place to turn laboratory discoveries into new commercial products, companies, industries, and high-paying jobs. As the pillars of the U.S. innovation system erode

Download Ebook Global Competition Report 1999

through wavering financial and policy support, the rest of the world is racing to improve its capacity to generate new technologies and products, attract and grow existing industries, and build positions in the high technology industries of tomorrow. Rising to the Challenge: U.S. Innovation Policy

Download Ebook Global Competition Report 1999

for Global Economy emphasizes the importance of sustaining global leadership in the commercialization of innovation which is vital to America's security, its role as a world power, and the welfare of its people. The second decade of the 21st century is witnessing the rise of a global competition that is

Download Ebook Global Competitiveness Report 1999

based on innovative advantage. To this end, both advanced as well as emerging nations are developing and pursuing policies and programs that are in many cases less constrained by ideological limitations on the role of government and the concept of free market economics. The rapid transformation of the

Download Ebook Global Competition Report 1999

global innovation landscape presents tremendous challenges as well as important opportunities for the United States. This report argues that far more vigorous attention be paid to capturing the outputs of innovation - the commercial products, the industries, and particularly high-quality jobs to restore
