Global Marketing Keegan and Green Chapter 1 Flashcards ...

Global Marketing is the process of focusing the resources and objectives of a company on global marketing opportunities. It means widening the business horizons to encompass the world when scanning for opportunity and threat. This decision to entering new markets depends strongly on the company's resources, managerial mindset and the nature of opportunity and threat, which not every company is able to.

competitive environment. The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment.
