social disaffection.

Nukamura plunges into the secretive world of the cult, ready to expose himself to any of the guru's brainwashing tactics if it means he can learn the truth about Ryoko. But the cult isn't what he expected, and he has no idea of the bubbling violence he is

Inspired by the 1995 sarin gas terrorist attack on the Tokyo subway, Cult X is an exploration of what draws individuals into extremism. It is a tour de force that captures the connections between astrophysics,

Young author Aki Fujino appeared

Page 56/66

poised to making it big in the world of publishing. Her debut title UTSUBORA was being pitched about to a number of editors and at least one person felt it was set to propel her into stardom. However, before she could ever have her book

published, the young woman was found dead. Some believe it was a suicide, but those close to her feel there is something more sinister involved in this young talent's death. Aki's death has become something straight out of a mystery.

File Type PDF

Much like the story behind UTSUBORA, there is something more to Aki, Sakura and their relationship with an author named Mizorogi than meets the eye. And it is possible that the only way to solve this mystery may be to uncover all their secrets.
