GOD IS FOR REAL, a new book from author of the best-seller HEAVEN IS FOR REAL, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

that our view of God impacts every decision in our lives. It will change the way we pray, the way we live, and the way we think about the world around us. God longs for us to know him as he really is. Get ready to meet God again for the first time.

God is love. He often reveals himself in special ways to show his love to us. A friend once said that this life is a big classroom. God has us in the classroom to learn the lessons. He is the teacher and uses the obstacles as the means for us to learn of his love, his discipline, and his sovereignty. Through learning, we draw closer to God. However, there are so many circumstances in the world that cause people not to feel or sense his presence. Because I understand how you feel, I decided to invite you on a journey to see how he has been revealing himself through the obstacles of this life to cause me to grow in him. The purpose of *My Heart Longs for the Lord* is to reach out to people from all walks of life. I pray that this book can be inspiring and encouraging to many in their walk with God and enhance their personal relationship with him.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "*Life in the Overflow*" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

Richard Foster and Gayle Beebe, both experienced leaders in spiritual formation, introduce you to people from the past who have known God deeply. Each person helps you to grasp one of the seven primary paths to intimacy with God that have been developed throughout Christian history. A Renovare Resource."
