This book contains the truth about dating that opposes to God's that the Church has embraced. As a result we're reaping the same destructive results as they. It exposes the dangers of creating situations where people could fall into sin, creating emotional, mental, spiritual and physical bonding with the wrong person, and how we're sending a confusing message to the world as they see our hypocrisy in what we preach and practice. I also share my own testimony and how God brought my husband and I together supernaturally without our efforts to make it happen, realizing that these are God's principles and standards for marriage, which can also be applied in all areas of our lives. Finally I share the only key to one's happiness deep intimacy with Jesus, not marriage.

church today, you might think so. But in *God Does Not . . .*, several theologians challenge these and other widespread misconceptions of how God works in the world. A follow-up to the popular *God Is Not . . .*, this book is both accessible and provocative. In the end, we are left not with a negation of what God does, but an affirmation of a God who does all things well and often far exceeds what our human imaginations can fathom.

upon time-tested biblical principles, Dr. Raunika makes a convincing case for the benefits of a courtship based on God's wisdom, versus a dating relationship based on man's. " Bill Bright Founder, Campus Crusade for Christ International " I feel like Choosing God's Best was written specifically for me. Few would argue that the current system of dating isn't in desperate need of reform. Dr. Raunika goes even further with his radical, biblical solution to the perils and pitfalls of dating. Thanks, Dr. Raunika, for being a radical. " Derek Webb Singer/songwriter " I'm so glad to see a book addressing what I've called the ' dating mess. ' Choosing God's Best is straightforward and scriptural. I especially appreciated the explanation of the categories of dating, which are seldom understood. " Elisabeth Elliot Author and speaker " I wish this book had been around when I was dating. So much pain, so many missed opportunities, and so many mistakes could have been avoided if I had used these principles. " Steve Arterburn Founder and chairman, New Life Ministries Story Behind the Book Dr. Don Raunika was a professional therapist specializing in singles' issues. He wrote Choosing God's Best as a result of discovering the common frustrations and desires of his patients, combined with his own experiences before he was married.
