2017. Sholem Asch's *Got fun nekome* (God of Vengeance) has one of the most remarkable histories of any modern drama. A Twitter summary of its production history would read something like this: "admired, translated, parodied, panned, banned, prosecuted, withdrawn, forgotten, revived, celebrated.". The current staging by New Yiddish Rep gives New York audiences a rare chance to hear the play in Asch's original Yiddish.

785 AD. When King Gorm puts Jarl Harald's family to the sword, he makes one fatal mistake - he fails to kill Harald's youngest son, Sigurd. His kin slain, his village seized, his taken as slaves, Sigurd wonders if the gods have forsaken him. Hunted by powerful men, he is unsure who to trust and yet he has a small band of loyal followers at his side. With them - and with the help of the All-Father, Odin - he determines to make a king pay for his treachery. Using cunning and war-craft, Sigurd gathers together a fellowship of warriors - including his father's right-hand man Olaf, Bram (who men

Italians, all hungry, all overworked, all insecure. But although these folk were all, so to speak, melting in the same pot, they were kept at a certain distance from one another, by their inherited prejudices, the most pernicious of which were supplied by their religions. To allow them to live together and work together toward a happier life, and to turn them from their European pasts toward a high American future, they needed, in Asch's view, the religion of love. And the same religion was needed to get the bosses and workers together in the garment industry, so as to end the sweatshops, the
