Between the ages of 17 and 31, Rachael Oakes-Ash lost 63kg and gained 76kg on a roller-coaster of body image problems and food obsession. She went through anorexia, bulimia, bulimarexia, gym mania, strict dieting and binge eating before she finally she figured out how to stop torturing herself and hating her body. Good Girls Do Swallow is the very black and very funny story of her downfall and her recovery. Rachael might have taken things further than many of us, but this is a story every woman can relate to. You might not have rescued food from the rubbish bin in a moment of binge-madness but if you've ever felt lousy and reached for a chocolate biscuit for comfort, this book is for you. 'What the diet promised, I got,' writes Rachael. 'I got the body that can wear the clothes. I got the job I love, I got the man I want. But I only got it for keeps when I stopped dieting.' From the Carol Brady Syndrome and Thindarella to Mutiny in Aisle Six, Good Girls Do Swallow tells how she did it.

Together these two poets-Hesiod, the epic poet, and Theognis, the elegist-offer a superb introduction to the life and thought of ancient Greece. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Plato is one of the central figures of the Greek literary heritage. This book explores that heritage in antiquity.

The smell of hope is burning flesh... The howlers are eating each other. What is left of humanity has a chance to breathe at last. Each group that forms has to consider how they will begin anew. They must come together on how to take care of the remaining monsters, grow food, teach kids, and deal with their dead...or fall apart in the pitted wasteland left to them by the zombie apocalypse. Can humanity get it right this time? Or will the last human become The Last Zombie?

--WINNER OF THE 2009 EISNER AWARD FOR BEST NEW GRAPHIC NOVEL! --NOMINATED FOR THREE 2009 EISNER AWARDS INCLUDING BEST GN & BEST CARTOONIST! --WINNER OF THE 2008 IGNATZ AWARD FOR "OUTSTANDING DEBUT!" --ONE OF YALSA'S "GREAT GRAPHIC NOVELS FOR TEENS!" --FINALIST FOR THE LA TIMES BOOK PRIZE! ---Swallow Me Whole is the first graphic novel since 1992's Maus to be nominated for this prize in any category. --WINNER OF THE 2009 IGNATZ AWARD FOR "OUTSTANDING ARTIST!" "Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK) "Scaldingly dark... Powell's flowing, impressionistic artwork, with its ravens' expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times "Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise" masterfully done. Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are one and the same."--Lara McAllister, School Library Journal "Darkly sublime."--Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts hope and foreboding."--Steve Duin, The Oregonian "[Swallow Me Whole] achieves some stunning effects with the art and the lettering... Powell has a look halfway between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club "Both provocative and thoughtful... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia... It's the best graphic novel since Craig Thompson's Blankets."--Chris DeVito, CD Syndicated Swallow Me Whole is a love story carried by rolling fog, terminal illness, hallucination, apophenia, insect armies, secrets held, unshakable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the clichéd melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed blessing of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal telepathy, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced, delicately drawn, and drenched in shadows, Swallow Me Whole is a landmark achievement for Nate Powell and a suburban ghost story that will haunt readers long after its final pages.

A teacher at a New England prep school ignites a gender war—with deadly consequences—in this dark and provocative novel by the bestselling author of The Passenger. " Riveting... full of imagination and power. " —Caroline Kepnes, author of You and Providence NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK • WINNER OF THE ALA ' S ALEX AWARD When Alexandra Witt joins the faculty at Stonebridge Academy, she ' s hoping to put a painful past behind her. Then one of her creative writing assignments generates some disturbing responses from students. Before long, Alex is immersed in an investigation of the students atop the school ' s social hierarchy—and their connection to something called the Darkroom. She soon inspires the girls who ' ve started to question the school ' s " boys will be boys " attitude and incites a resistance. But just as the movement is gaining momentum, Alex attracts the attention of an unknown enemy who knows a little too much about her—and what brought her to Stonebridge in the first place. Meanwhile, Gemma, a defiant senior, has been plotting her attack for years, waiting for the right moment. Shy loner Norman hates his role in the Darkroom, but can ' t find the courage to fight back until he makes an unlikely alliance. And then there ' s Finn Ford, an English teacher with a shady reputation, who keeps one eye on his literary ambitions and one on Ms. Witt. As the school ' s secrets begin to trickle out, a boys-versus-girls skirmish turns into an all-out war, with deeply personal—and potentially fatal—consequences for everyone involved. Lisa Lutz ' s blistering, timely tale of revenge and disruption shows us what can happen when silence wins out over decency for too long—and why the scariest threat of all might be the idea that sooner or later, girls will be girls. Praise for The Swallows " The Swallows is fast-moving, darkly humorous and at times shockingly vicious. The battle of the sexes within its pages couldn ' t be more compelling... Lutz delivers a frantic, morbidly funny story. " —BookPage " A decade before the #MeToo movement kicks off in full force, women are coming for the patriarchy in this big of ' novel, ripe with idiosyncratic characterization and memorable scenes. " —Refinery29
