Supercharge your marketing strategy with data analytics In Data-First Marketing: How to Compete & Win in the Age of Analytics, distinguished authors Miller and Lim demystify the application of data analytics to marketing in any size business. Digital transformation has created a widening gap between what the CEO and business expect marketing to do and what the CMO and the marketing organization actually deliver. The key to unlocking the true value of marketing is data – from actual buyer behavior to targeting info on social media platforms to marketing 's own campaign metrics. Data is the next big battlefield for not just marketers, but also for the business because

Where To Download Google Ads Advertising

the judicious application of data analytics will create competitive advantage in the Age of Analytics. Miller and Lim show marketers where to start by leveraging their decades of experience to lay out a step-by-step process to help businesses transform into data-first marketing organizations. The book includes a self-assessment which will help to place your organization on the Data-First Marketing Maturity Model and serve as a guide for which steps you might need to focus on to complete your own transformation. Data-First Marketing: How to Compete & Win in the Age of Analytics should be used by CMOs and heads of marketing to institute a data-first approach throughout the marketing organization.

Digital marketing sits at the intersection of marketing and technology - encompassing any type of marketing effort requiring an electronic device or the internet. And, there are over 7 billion electronic devices connected to the internet now, making digital marketing more business-critical every day. As technology advances rapidly over the past two decades, digital media has become so widespread that anybody can access information anytime, from anywhere. This gives marketers more ways to promote products and services through blogs, websites, and social media channels. Through various tools now available, marketers can also see what is trending, what is the unique selling point (USP) of a
