No indyref2 while Scotland 'heals' from coronavirus says Gordon Brown. The former Labour Prime Minister also dodged a question over whether he would lead the Unionist campaign if there was a referendum.

Presents the life and accomplishments of the first African American photographer for Life magazine.

The first African American photographer for Life magazine.

The first African American photographer for Life magazine.

The famed photographer, film director, writer, and composer recounts the dramatic story of his life, from his poor Kansas origins, through his breaking of racial barriers, to his triumph in America and abroad. Reprint. 12,500 first printing.

His white teacher tells her all-black class, You'll all wind up porters and waiters. What did she know? Gordon Parks is most famous for being the first black director in Hollywood. But before he made movies and wrote books, he was a poor African American looking for work. When he bought a camera, his life changed forever. He taught himself how to take pictures and before long, people noticed. His success as a fashion photographer landed him a job working for the government. In Washington DC, Gordon went looking for a subject, but what he found was segregation. He and others were treated differently because of the color of their skin. Gordon wanted to take a stand against the racism he observed. With his camera in hand, he found a way. Told through lyrical verse and atmospheric art, this is the story of how, with a single photograph, a self-taught artist got America to take notice.

Be sure to check out IRON AMBITION: My Life with Cus D|Amato by Mike Tyson |Raw, powerful and disturbing|a head-spinning take on Mr. Tyson's life. |Wall Street Journal Philosopher, Broadway headliner, fighter, felon|Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time|and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet|even after hitting rock bottom|the man who once admitted being addicted [to everything]| fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

From one of our most distinguished historians, a new examination of the vitally important years of Emancipation and Reconstruction during and immediately following the Civil War|a necessary reconsideration that emphasizes the era|s political and cultural meaning for today|s America. In Forever Free, Eric Foner overturns numerous assumptions growing out of the traditional understanding of the period, which is based almost exclusively on white sources and shaped by (often unconscious) racism. He presents the period as a time of determination, especially on the part of recently emancipated black Americans, to put into effect the principles of equal rights and citizenship for all. Drawing on a wide range of long-neglected documents, he places a new emphasis on the centrality of the black experience to an understanding of the era. We see African Americans as active agents in overthrowing slavery, in helping win the Civil War, and|even more actively|in shaping Reconstruction and creating a legacy long obscured and misunderstood. Foner makes clear how, by war|s end, freed slaves in the South built on networks of church and family in order to exercise their right of suffrage as well as gain access to education, land, and employment. He shows us that the birth of the Ku Klux Klan and renewed acts of racial violence were retaliation for the progress made by blacks soon after the war. He refutes lingering misconceptions about Reconstruction, including the attribution of its ills to corrupt African American politicians and |carpetbaggers,| and connects it to the movements for civil rights and racial justice. Joshua Brown|s illustrated commentary on the era|s graphic art and photographs complements the narrative. He offers a unique portrait of how Americans envisioned their world and time. Forever Free is an essential contribution to our understanding of the events that fundamentally reshaped American life after the Civil War|a persuasive reading of history that transforms our sense of the era from a time of failure and despair to a threshold of hope and achievement.

The intimate story of one of the great American bands of our time, creators of the controversial masterpiece Yankee Hotel Foxtrot When alt-country heroes-turned-rock-iconoclasts Wilco handed in their fourth album, Yankee Hotel Foxtrot, to the band|s label, Reprise, a division of Warner Brothers, fans looked forward to the release of another challenging, genre-bending departure from their previous work. The band aimed to build on previous sales and critical acclaim with its boldest and most ambitious album yet, but was instead urged by skittish Reprise execs to make the record more |radio friendly. | When Wilco wouldn|t give, they found themselves without a label. Instead, they used the Internet to introduce the album to their fans, and eventually sold the record to Nonesuch, another division of Warner. Wilco was vindicated when the album debuted at No. 13 on the Billboard charts and posted the band|s strongest sales to date. Wilco: Learning How to Die traces the band|s story to its deepest origins in Southern Illinois, where Jeff Tweedy began growing into one of the best songwriters of his generation. As we witness how his music grew from its punk and alt-country origins, some of the key issues and questions in our culture are addressed: How is music of substance created while the gulf between art and commerce widens in the corporate consolidation era? How does the music industry make or break a hit? How do working musicians reconcile the rewards of artistic risk with the toll i exacts on their personal life? This book was written with the cooperation of Wilco band members past and present. It is also fully up to date, covering the latest changes in personnel and the imminent release of the band|s fifth album, A Ghost Is Born, sure to be one of the most talked-about albums of 2004.
