Home - Hokes Bluff High School

Updated in a new 11th edition, *Government in America: People, Politics, and Policy*, illustrates the impact that government has on the daily lives of each and every American, particularly its effect on students. Designed around the theme that “politics matters,” this descriptive text emphasizes public policy — what government actually does. It contains recent political developments and policy on the global economic recession and addresses President Barack Obama's impact on our current government. The brief edition is a streamlined version of this bestseller.

Issues like COVID-19, Black Lives Matter, police brutality, trade wars and cyberattacks add to the complexity of the U.S. political system. Schmidt/Shelley/Bardes' *AMERICAN GOVERNMENT AND POLITICS TODAY, ENHANCED BRIEF 11th edition* helps you make sense of it all while learning to be an informed citizen and active participant in the political process. A colorful design and current political news and analysis make this an ideal resource to explain fundamentals of the U.S. government and its intricate political system and how they impact your life -- now and in the future. Extremely reader-friendly, the book has been praised for its brevity, balanced coverage and clarity. Digital course solutions MindTap and Infuse are available.

Emphasizing the relevance of politics and government in everyday life, *We the People* provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, *We the People* is now more pedagogically effective than ever.

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power – the ability to create and share their own narratives – while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements,

Keeping the Republic, Eighth Edition is a much-needed resource to help students make sense of politics in America today. • A New Republic Best Book of the Year • The Globalist Top Books of the Year • Winner of the Maine Literary Award for Non-fiction • Particularly relevant in understanding who voted for who in this presidential election year, this is an endlessly fascinating look at American regionalism and the eleven "nations" that continue to shape North America According to award-winning journalist and historian Colin Woodard, North America is made up of eleven distinct nations, each with its own unique historical roots. In American Nations he takes readers on a journey through the history of our fractured continent, offering a revolutionary and revelatory take on American identity, and how the conflicts between them have shaped our past and continue to mold our future. From the Deep South to the Far West, to Yankeedom to El Norte, Woodard (author of American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good) reveals how each region continues to uphold its distinguishing ideals and identities today, with results that can be seen in the composition of the U.S. Congress or on the county-by-county election maps of any hotly contested election in our history.

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, Point/Counterpoint and What Would You Decide?, where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, PUBLIC ADMINISTRATION IN AMERICA builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference!
