Help your child succeed on the Texas statewide assessments with the premiere resource used by parents and teachers! With Practice More for the TAKS [grade 10, social studies], you will strengthen your understanding of key concepts needed to succeed on the TAKS exam, studying just the subject matter you need help with. You'll gain confidence by practicing and exercising the skills learned in class, whether at home or school, alone or with friends and family to help. In Practice More for the TAKS [grade 10, social studies] students will understand the core test objectives of the Social Studies portion of the exam by: . Demonstrating an understanding of issues and events in U.S. History . Demonstrating an understanding of geographic influences on historical issues and events . Demonstrating an understanding of economic and social influences on historical issues and events . Demonstrating an understanding of political influences on historical issues and events . Using critical-thinking skills to analyze social studies information

Macroeconomics in Context lays out the principles of macroeconomics in a manner that is thorough, up to date, and relevant to students. Like its counterpart, Microeconomics in Context, the book is attuned to economic realities--and it has a bargain price. The in Context books offer affordability, engaging treatment of high-interest topics from sustainability to financial crisis and rising inequality, and clear, straightforward presentation of economic theory. Policy issues are presented in context--historical, institutional, social, political, and ethical--and always with reference to human well-being.

Serves as an index to Eric reports [microform].

Help students earn the grade they want in your course with the help of this valuable tool. This Study Guide lists important learning objectives for each chapter, outlines key sections, provides self-test questions, and offers a set of problems similar to those in the text and Test Bank with fully worked-out solutions.

Study & master economic and management sciences grade 8 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in economic and management sciences.
