The concept of terroir is perfectly demonstrated in Cognac, too; the region is divided into six Crus: Grande Champagne, Petite Champagne, Borderies, Fin Bois, Bon Bois and Bois Ordinaires. There are notable differences between each one, with Grande Champagne eaux-de-vie noted for their power and finesse; Borderies for their fruity, floral notes, and so on.

Kalita of the cuvées, traditional Champagnes, extraordinary gems, inevitable classics or prestigious Champagnes. The aim is certainly not to judge the selected Champagne, but rather to grasp, to understand the technical, viticultural and oenological approach, the philosophy, the intuition that guided its producer. The VERON Champagnes Guide therefore abstains from marking and ranking. Champagne! Both the region of Champagne and its wines have always been associated with prestige and luxury. Knowledgeable wine enthusiasts have long discussed top Champagnes with the same reverence they reserve for the finest wines of Bordeaux and Burgundy. But everyday Americans usually keep Champagne way back on the high shelf. It's for big celebrations, send-offs, and wedding toasts and, more often than not, is bought by the case. The good stuff costs plenty—and frankly, rarely seems worth the price. Today, though, Champagne is in the midst of a renaissance—no longer to be unjustly

Thanks to a few key wine importers and America's newfound obsession with knowing where food comes from, these shipments have been climbing steadily. These 100 Champagnes represent a terroir, a genuine savoir-faire, and a true passion. Here, no ranking, hierarchy, marks, blind tastings, intended to reassure the reader and be a proof of honesty and exactitude. How can we give a mark to a pleasure, an emotion? No, just “Favourites” that translate the emotions and pleasure felt by the tasters who, on the contrary, have the maximum of information about the tasted Champagne, to better explain and comprehend it as a whole. This guide offers a new approach, unique, enthusiast and logical, far from the traditional tasting comments that assess and rank the Champagnes.
