British West Indies (Volume - I) has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

In the 1990s, expressive culture in the Caribbean was becoming noticeably more feminine. At the annual Carnival of Trinidad and Tobago, thousands of female masqueraders dominated the street festival on Carnival Monday and Tuesday. Women had become significant contributors to the performance of calypso and soca, as well as the musical development of the steel pan art form.

**Drawing upon ethnographic fieldwork** conducted by the author in Trinidad and Tobago, *What She Go Do* demonstrates how the increased access and agency of women through folk and popular musical expressions has improved intergender relations and representation of gender in this nation. This is the first study to integrate all of the popular music expressions associated with Carnival—calypso, soca, and steelband music—within a single volume. The book includes interviews with popular musicians and detailed observation of musical performances, rehearsals, and recording sessions, as well as analysis of reception and use of popular music through informal exchanges with audiences. The popular music of the Caribbean contains elaborate forms of social commentary that allows singers to address various sociopolitical problems, including those that directly

ffect the lives of women. In general, the cultural environment of Trinidad and Tobago has made women more visible and audible than any previous time in its history. This book examines how these circumstances came to be and what it means for the future development of music in the region.

Written with hard-hitting honesty and emotional sensitivity, this is Stephen Ladd's account of his three-year adventure in a 200-pound boat of his own design and construction. The journey begins in the North American Rockies, progresses down the Pacific Coast of Panama and Colombia, crosses South America—including overland hitchhiking of author and boat for several hundred miles—and finally cruises the Caribbean back to
