"An honest, practical, as well as emotional guide to working through the processing of mourning" (Vogue.com), Grief Works is a lifeline for all of us dealing with loss and a handbook to help others—from the "expected" death of a parent to the sudden and unexpected death of a child or spouse. Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. In Grief Works, Samuel shares case studies from those who have experienced great love and great loss—and survived. People need to understand that grief is a process that has to be worked through, and Samuel shows if we do the work, we can begin to heal. "As a guide for the newly grieving, Grief Works succeeds on many levels, and the author's compassionate storytelling skills provide even broader appeal...and consistently hit an authentically inspiring note" (Kirkus Reviews, starred review). "Illuminating" (The New York Times), intimate, warm, and helpful, Samuel is a caring and deeply experienced guide through the shadowy and mutable land of grief, and her book is as invaluable to those who are grieving as it is to those around them. She adroitly unpacks the psychological tangles of grief in a voice that is compassionate, grounded, real, and observant of those in mourning. Divided into case histories grouped by who has died—a partner, a parent, a sibling, a child, as well section dealing with terminal illness and suicide—Grief Works shows us how to live and learn from great loss. This important book is "essential for anyone who has ever experienced grief or wanted to comfort a bereaved friend" (Helen Fielding, author of Bridget Jones's Diary).

JULIA SAMUEL'S LATEST BOOK, EVERY FAMILY HAS A STORY, IS AVAILABLE TO PRE-ORDER NOW A Sunday Times Top 10 Bestseller Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood... In Grief Works we hear stories from those who have experienced great love and great loss - and survived. Stories that explain how grief unmasks our greatest fears, strips away our layers of protection and reveals our innermost selves. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. This deeply affecting book is full of psychological insights on how grief, if approached correctly, can heal us. Through elegant, moving stories, we learn how we can stop feeling awkward and uncertain about death, and not shy away from talking honestly with family and friends. This extraordinary book shows us how to live and learn from great loss.

A warm, moving and practical guide to grief from a leading bereavement counsellor, Grief Works features deeply affecting case studies of the author's clients, which will appeal to readers of Atul Gawande's Being Mortal, Stephen Grosz's The Unexamined Life and Paul Kalanithi's When Breath Becomes Air. Death is the last taboo in our society, and grief is still profoundly misunderstood. So many of us feel awkward and uncertain around death, and shy away from talking honestly with family and friends. Grief Works is a compassionate guide that will inform and engage anyone who is grieving, from the "expected" death of a parent to the sudden unexpected death of a small child, and provide clear advice for those seeking to comfort the bereaved. With deeply moving case studies of real people's stories of loss, and brilliantly accessible and practical advice, Grief Works will be passed down through generations as the definitive guide for anyone who has lost a loved one, and revolutionize the way we talk about life, loss and death.

_____ If change is the natural order of things, why do we struggle with the huge milestones in our lives? At a time when even the most certain things feel disrupted, acclaimed psychotherapist Julia Samuel provides an antidote to the chaos we are all feeling. In this Sunday Times bestseller, Julia draws on hours of conversations with her patients to show how we can learn to adapt and even thrive during our most difficult and transformative experiences. From a new mother struggling with the decision to return to work, to a father handling a serious medical diagnosis, from a woman deciding whether to leave her husband for a younger lover, to a man struggling to repair his marriage after the trauma of suffering with COVID-19 in the ICU, this book unflinchingly deals with the hard times in family, love, work, health and identity. Illuminated by the latest social and psychological research, these 19 powerful, unforgettable and deeply intimate stories about everyday people will inform our understanding of our own unique response to change and improve the way we approach challenges at every stage of life. _____ 'Examines the power that comes from dealing effectively with change' Elizabeth Day

Restore Your Spirit after Sudden Loss Healing after loss. When a loved one passes unexpectedly, the person left behind can lose their bearings. After the sudden loss of her mother, Chelsea Hanson, a nationally-recognized grief educator and founder of With Sympathy Gifts and Keepsakes, didn't know where to turn for help, what to do next, or how to put the pieces of her life back together. Hanson's The Sudden Loss Survival Guide gathers everything that she learned during her own recovery process and provides an indispensable road map to aid those who've experienced a life-changing loss. A proactive, intentional approach. While you cannot control losing a loved one, you can consciously guide your own recovery. Through the application of simple, proactive practices, The Sudden Loss Survival Guide will empower you to overcome the darkness and anxiety of grief. Action-based tools. The Sudden Loss Survival Guide includes heart-lifting prompts and action steps that guide you towards reengaging in life and discovering deeper meaning. Through Hanson's grief healing practices, this book delivers the essential answers and tools needed to survive, cope, and heal from the devastating impact of sudden loss. The Sudden Loss Survival Guide is a distinctive grief recovery handbook. In this book, discover: • Seven practices for healing, including creative memorialization and maintaining an ongoing spiritual connection • Skimmable, stand-alone passages with immediate, usable information for the trauma you're facing • A transformative method for living a meaningful, fulfilling life in remembrance of your loved one Readers of grief books like It's OK That You're Not OK, I Wasn't Ready to Say Goodbye, and Grief Day By Day will learn how to live again with the help of The Sudden Loss Survival Guide.

With a gentle and considerate style, this handbook explores what happens when grief and the workplace meet, and the drastic effects of grieving on employees, their performance, and the overall workplace environment. Touching on the different kinds of grief workers can experience, such as death, divorce, and layoffs, the effective ways to channel grief during the workday, how to support coworkers who mourn, participation in group memorials, and negotiating appropriate bereavement leave, this concise and practical resource gives both ideas for the mourner and the mourner's coworkers. A special introduction for employers, owners, managers, and human resource personnel addresses the economic impact of grief in the workplace and provides practical and cost effective ideas for maintaining morale and creating a productive yet compassionate work environment.

In plain language, this book tells you how to manage your grief following a life changing loss. It tells you what to expect in the coming weeks, months and years. Your grief is unique. Nobody has ever grieved like you are doing, so this is a guide to support you in your journey, not a method for you to follow. If you are reading this because you are grieving a loss, then most likely a person close to you has died. However, this book can help with other difficult losses. Loss of a job, of health, of a friendship or an intimate relationship, are just some of the losses that we grieve. 'Loved one' can refer to a pet too.The plain and simple language of the book is important when your loss is new. Grief makes it hard to concentrate, so this book uses simple words, short sentences and not too many words on a page.The author, Dr John Wilson, has supported hundreds of grieving people over the past twenty years, and continues to research how people grieve. This book is based on the real experience of grieving people whose stories have been made anonymous. Dr Wilson is author of 'Supporting People through Loss and Grief: An introduction for Counsellors and Other Caring Practitioners.' Published in 2013, it is often used to train bereavement counsellors and volunteers in bereavement support.This edition includes a chapter on bereavement from and during the Covid-19 pandemic.

Challenging conventional wisdom on grief, a pioneering therapist offers a new resource for those experiencing loss When a painful loss or life-shattering event upends your world, here is the first thing to know: there is nothing wrong with grief. "Grief is simply love in its most wild and painful form," says Megan Devine. "It is a natural and sane response to loss." So, why does our culture treat grief like a disease to be cured as quickly as possible? In It's OK That You're Not OK, Megan Devine offers a profound new approach to both the experience of grief and the way we try to help others who have endured tragedy. Having experienced grief from both sides—as both a therapist and as a woman who witnessed the accidental drowning of her beloved partner—Megan writes with deep insight about the unspoken truths of loss, love, and healing. She debunks the culturally prescribed goal of returning to a normal, "happy" life, replacing it with a far healthier middle path, one that invites us to build a life alongside grief rather than seeking to overcome it. In this compelling and heartfelt book, you'll learn: • Why well-meaning advice, therapy, and spiritual wisdom so often end up making it harder for people in grief • How challenging the myths of grief—doing away with stages, timetables, and unrealistic ideals about how grief should unfold—allows us to accept grief as a mystery to be honored instead of a problem to solve • Practical guidance for managing stress, improving sleep, and decreasing anxiety without trying to "fix" your pain • How to help the people you love—with essays to teach us the best skills, checklists, and suggestions for supporting and comforting others through the grieving process Many people who have suffered a loss feel judged, dismissed, and misunderstood by a culture that wants to "solve" grief. Megan writes, "Grief no more needs a solution than love needs a solution." Through stories, research, life tips, and creative and mindfulness-based practices, she offers a unique guide through an experience we all must face—in our personal lives, in the lives of those we love, and in the wider world. It's OK That You're Not OK is a book for grieving people, those who love them, and all those seeking to love themselves—and each other—better.

"The author's experience with grief after the sudden death of her husband, combined with social science on resilience"--
