For over two hundred years the powerful stories of the Brothers Grimm have enchanted millions around the world, but there has never been an adaptation as intriguing or provocative as this. Grimm Fairy Tales Volume 1 explores a much darker side of the infamous fables you heard as a child as these classic tales are retold and re-imagined with a terrifying twist you'll simply love as an adult. Red Riding Hood is forced to confront the insatiable hunger of a terrifying beast; Cinderella seeks a shocking vengeance for the years of torture she's endured; Hansel & Gretel realize that the problems they left behind at home are nothing compared to the horror that awaits them on their ill-advised journey; A desperate girl makes a deal with the hideous Rumpelstiltskin only to find she may lose much more than she ever imagined; Sleeping Beauty learns that narcissism can be a very gruesome trait to possess and an envious sister finds her extreme measures to capture the man of her dreams may lead to much worse than just heartbreak from the Robber Bridegroom. Collects Grimm Fairy Tales issues #1-6.

A brand new series straight from the Grimm Fairy Tales Universe. The Highborn Gods of old have been biding their time, waiting for the right point in human evolution to make their return. Some have waited with nothing but good intentions and the desire to help the people of earth. But not all the deities from the past have such altruistic plans. One fallen god has set her sights on a much loftier and more sinister goal...the enslavement of all mankind.

The world of humans has forever changed and the Grimm Universe has been shaken to its core. It started with the Age of Darkness and now with the death of Sela Mathers, earth 's long time guardian, the Realms of Power have fallen into chaos. But Sela left behind one thing that may be able to save the world...her daughter, Skye. Don't miss this new chapter in Grimm Fairy Tales that takes the series back to its roots.

entangled in a war between the Gods themselves. Red Riding Hood returns to New York in search of a serial killer who is anything but what he seems. Before she was the Goblin Queen there was only the princess Olivia. A small child whose dark lust and blood thirsty obsession against the Goblins that slaughtered her family would lead her to discover a greater power hidden within. An evil power that would consume all she was and all she could ever be until only the evil that is the Goblin Queen remained. And see for the first time the full origin of the greatest evil to inhabit the Grimm Universe...The Dark One himself! The hot new series that spotlights the Heroes and Villains of the Grimm Universe is collected here for the first time EVER!

Calie and Violet find themselves face to face with the cannibalistic flower girls from Wonderland who are intent on using them for their own diabolical designs. It's up to Calie to find a way to defeat them and save Violet or become just another flower in their garden of madness. Elsewhere in Wonderland, The Queen of Spades has the Red Queen right where she wants her but is her victory assured or will the Red Queen find a way to overcome the darkness that threatens to consume Wonderland.
