Tommy Newberry's message is
simple, relevant, powerful, and
timeless. In this New York Times
bestseller, Newberry takes a single
biblical principle and teaches us how
one simple truth can magnify the joy

we experience in our marriage, with our parenting, and in our life as a whole. Unfortunately, we live in a society bent on nursing old wounds and highlighting what is wrong with just about everything. As a result, we have grown accustomed to viewing the world, our lives, and ourselves through a lens of negativity and that negativity stands in direct contrast to the passionate, purpose-filled people God wants us to be. This is where The 4:8 Principle grabs our attention. First, the author skillfully persuades us to acknowledge the link between the thoughts we choose to think and the joy we experience. Next, he shows us how we can grow our potential for joy by refusing to dwell upon the problems and pressures that are enduring and inevitable. Finally, he challenges us to pay the price of joy by becoming

extraordinarily picky about what we read, watch, and listen to on a consistent basis. The strength of the book, though, is in Newberry's ability to clearly explain how to put this principle into daily practice through a series of quick, easy and even fun adjustments. The 4:8 Principle is loaded with specific suggestions and helpful advice for going beyond the ordinary and experiencing life as it was meant to be.

When Kirby, Bitsy, and their parents inherit an unusual and very pink motel in Florida, they find it filled with eccentric characters, mystery, and adventure.

The tale of the tumultuous relationship between Jeff, a young photographer, and Mark, the butch electrician hired to

wire Jeff's new home.

Firsthand accounts from the attorneys and advocates who brought the historic cases and fought to secure the freedom to marry for same-sex couples. The June 2015 decision in Obergefell v. Hodges was a sweeping victory for the freedom to marry, but it was one step in a long process. Love Unites Us is the history of activists' passion and persistence in the struggle for marriage rights for same-sex couples in the United States, told in the words of those who waged the battle. Launching the fight for the freedom to marry had neither an obvious nor an uncontested strategy. To many activists, achieving marriage equality seemed far-fetched, but the skeptics were proved wrong in the end. Proactive arguments in favor of

love, family, and commitment were more effective than arguments that focused on rights and the goal of equality at work. Telling the stories of people who loved and cared for one another, in sickness and in health, cut through the antigay noise and moved people—not without backlash and not overnight, but faster than most activists and observers had ever imagined. With compelling stories from leading attorneys and activists including Evan Wolfson, Mary L. Bonauto, Jon W. Davidson, and Paul M. Smith, *Love Unites Us* explains how gay and lesbian couples achieved the right to marry. “An exceptional piece of work by courageous and innovative leaders.” —Eric H. Holder Jr., 82nd US attorney general “Captures the amazing story of the fight for marriage equality—in California and

around the country. A remarkable journey recounted with truth and eloquence. □ □Gavin Newsom, governor of California

The Bible has the astounding power to transform lives. The stories of people like Francis of Assisi, Antony of Egypt, Augustine of Hippo, Martin Luther and Martin Luther King Jr. vividly demonstrate this. Why aren't more of us transformed by Scripture today? Too often we study biblical texts without believing that God truly inhabits this book. Scripture seeks to capture our minds, not merely educate

them. In these pages Chris Webb explains that we can transform our Christian life by reading as lovers rather than as theorists. This is possible by coming to the text prayerfully, expectantly, in humility and empty-handed. When we open the Bible, it does not say to us, "Listen: God is there!" Instead, the voice of the Spirit whispers through each line, "Look: I am here." Reading the Bible this way can reconfigure the habits of your heart, refresh your imagination and memory, reshape and redeem your emotions, realign your reality individually and communally for kingdom life, and take us beyond the Bible into a renewed way of life. Here is the work of today—which is also the work of the whole of life—to open your heart afresh to the living Word of God.
