This powerful, prayerful, and practical guide teaches groups a whole new way of conducting meetings and reaching consensus. Rooted in scripture, Grounded in God energizes and inspires.

This step-by-step guide tells how to prepare for and conduct discussion sessions based on the ground breaking book, Listening Hearts. Inquirers, confirmation candidates and anyone who seeks God's call through group reflection will find the Listening Hearts experience invaluable for spiritual growth. Other Listening Hearts titles available from Morehouse Publishing include: Listening Hearts; Grounded in God, Revised Ed.; and Retreat Designs and Meditation Exercises.

Keeping in Tune with God is an essential resource for clergy and the people who love, work with, and care about them. Based on the tested wisdom of Listening Hearts discernment, the book provides clergy with encouraging words and practices to develop their relationships with God, their families and friends; to carry the practice of spiritual discernment into the life of their congregations; and to work more effectively with other leaders to nurture the life of Christ in the world around them.

This powerful, prayerful, and practical guide teaches groups a whole new way of conducting meetings and reaching consensus. Whether your group, committee or board is secular or religious, its members can now move beyond parliamentary procedure to a higher level using the model described here. Rooted in scripture, Grounded in God energizes and inspires. Learn how to incorporate creative silence, imagination, intuition, attentive listening, scripture, and prayer into routine meetings, decision making, or working retreats. By opening up to new perspectives, discover that the first order of

business is to become attuned to God's presence within those assembled. As members of the group become receptive to alternative viewpoints, they are opened to tap into the flow of divine wisdom and align with the will and mind of God. The results can be both spiritual and practical as they are put into action.

This 30th anniversary edition presents the unique approach of Listening Hearts to the spiritual practice of discernment for a new generation. Written to make the often elusive and usually clergy-centered spiritual practice of discernment accessible to all people, Listening Hearts features simple reflections and exercises drawn from scripture and from Quaker and Ignatian traditions. The seminal work in the Listening Hearts Series, this book has been a beloved resource for tens of thousands of individual readers, retreat participants, small groups, and church leaders listening for and responding to God's call in their lives.

Step-by-step retreat designs, accompanying meditation exercises, and leader's guidelines based on the bestseller Listening Hearts, are presented in this unique resource. Songs, from the Listening Hearts Songbook, specially-planned Eucharists, Scripture readings, meaningful projects, and meditation options are arranged to result in a Spirit-filled community bonding. Retreat Designs and Meditation Exercises can be used with other Listening Hearts series books: Listening Hearts, Grounded in God (Revised Edition), and the Manual for Discussion Leaders, all available from Morehouse Publishing.

Keeping in Tune with God is an essential resource for clergy and the people who love, work with, and care about them. Based on the tested wisdom of Listening Hearts discernment, the book provides clergy with encouraging words and practices to develop their relationships with God, their families and friends; to carry the practice of spiritual discernment into the life of their congregations; and to work more effectively with other leaders to nurture the life of Christ in the world around them.

This book offers a detailed presentation of ten small group models, plus guidance in groupleadership dynamics. It also presents material related to group retreat work, spiritual guidance with organizations, and a peer supervision/consultation model for s

Learning how to attend to what God is doing right now is the lifelong work of (and play) of the person of faith. Helping people to attend to God is the central work of the congregation. It all begins with learning to listen to God as a community and to notice what God is doing in our life together. John Ackerman offers two four-step models and several additional tools that help us attend to the mystery at

the center of our lives and our congregations.

Bible study, research, and fieldwork merge in this book of practical principles for decision making by spiritual discernment. The step-by-step approach can be used to help any size group learn a new way to make decisions--a way that is interactive, spiritual, and rooted in faith practices and community. Small groups, committees, church boards, church leaders at all levels, and seminary professors will find this book valuable. This is a revised and updated version of the book, originally published in 1997. This new version included revised and updated material, as well as a new introduction by Charles Olsen.
