Guided Meditations for Children shares a simple process that teaches children how to pray through meditation on the Scriptures. This process leads children into the Scripture scene, where they meet Jesus personally and are encouraged to talk and listen to him - which is prayer. Children will love to listen to these meditations because they love stories and because they are personally invited by Jesus to come, sit beside him, and listen to his story. Teaching children how to come to the Lord will not only affect you and your class now, but will lead children into a lifelong habit of affective prayer - the heart of religious education. Jane Reeherst, BVM, was active in teaching, storytelling, counseling, and every aspect of parish ministry throughout her sixty-two years as a Sister of Charity of the Blessed Virgin Mary. Her belief that children have the capacity--indeed a talent--for meditative prayer led her to create scripturally based meditations for them. Sister Jane specialized in adapting the Ignatian form of meditation to meet the needs of children. She invited them to use their five senses to envision a scriptural scene as a backdrop for meeting the Lord. A seasoned speaker, Jane also conducted workshops for parents and teachers to teach children how to pray. Her book is an extension of her e orts to help busy adults meet the prayer needs of their children. Guided Meditations for Children provides not only clear direction for those who lead young persons in prayer; but also lays the foundation for enriching life-long reflection for all God's children, young and old alike. Through her life and her writings, Jane taught many how to hear the ""tiny whispering sound"" of God as Elijah did on the mountain. Jane died in November 2013. In her autobiography, she had written: ""I was moved, drawn to this life [as a BVM sister] led by the Spirit. The most rewarding [part] about this life is living with Sisters who have the same cause, deepening our relationship with God and reaching out to others.""

This valuable resource helps adults guide children in meditation, reflection, and prayer.

"A fun, accessible guide to mindfulness for children. Beautifully illustrated, 'Sitting Like a Saint' introduces children to the great saints of the Catholic faith, while helping them develop skills equally as important as learning to read and write: self-awareness, focus, problem solving, and resilience."--From dust jacket.

Many Catholics feel catechized but not "evangelized", meaning they know about Jesus but do not feel they know him personally. The bridge between where we are and where we want to be in our faith journey can be confusing without the right guidance. In Under the Influence of Jesus, best-selling author Joe Paprocki explains complex spiritual concepts with engaging discussion so that "everyday" Catholics can integrate and articulate their faith and live the Gospel in a way that is simple, compelling, contemporary, liberating, and life-changing. 2017 Catholic Press Association Book Awards, Second Place: Pastoral Ministry "IF FORMER CATHOLICS WERE CONSIDERED A DENOMINATION, IT WOULD BE THE SECOND-LARGEST DENOMINATION IN THE U.S."—from A Church on the Move Many statistics on the Catholic Church today are sobering, and the future of the Church can seem bleak indeed. The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church. But best-selling author Joe Paprocki insists that there is good news: with the right plans in place, the Catholic Church—and the local parish specifically—will not only survive, but thrive. A Church on the Move offers 52 practical strategies for moving parishes forward, principally by focusing on the one thing the Church can offer that the world-at-large cannot: Jesus Christ. Each chapter begins with a quote from Pope Francis, and each helpful strategy falls within one of five key categories: how a Church on the move thinks, functions, worships, forms disciples, and engages the world. Every chapter takes an honest look at a particular problem in the Church before moving to a creative, redemptive, and achievable solution. A Church on the Move brings to the parish level the great themes of Pope Francis' papacy— mission, mercy, and evangelization—and replaces despair with a profound hope for the future of the Catholic Church.

This book focuses on teaching meditation to children, who can be naturally and totally present in the moment and are thus capable of pure prayer, prayer of the heart. Meditation can be a powerful way to allow their spirit the deepest possible contact with the Life Source and the space within which to expand. Meditating in a spiritual tradition can help re-balance the whole human system. It offers children as well as adults an opportunity to become aware that there is another way of relating with themselves and others, through a support system, a community, and a context of spiritual friendship which are vital to growing in one's humanity.
