Welcome Everyone! I'm excited to have this website to share everything that I have discovered, created and learned. I have been teaching for 17 years, in grades 1st - 5th. Most of those years have been in multi-age, split classrooms, which I have come to love. Guided-Math was created out of a need for a way to teach math to two grades at once ...

Guided Math

Overview. Spending time with new content helps move concepts and ideas into Long-term Memory. While this may seem like an old idea, research confirms that working many practice problems really is an important part of learning math. Through guided practice, learners rehearse, rework, elaborate, summarize, and question new content, leading to sufficient rehearsal for deeper learning.
